

13.2.4 Notice of Approval – Omega ATS – Broker Preferencing

OMEGA ATS

NOTICE OF OSC APPROVAL OF PROPOSED CHANGES

On April 17, 2015, the OSC approved changes proposed by Omega ATS, which would introduce broker preferencing for visible liquidity orders and hidden orders. A notice requesting feedback on the proposed changes was published in the OSC Bulletin on March 12, 2015 at (2015), 38 OSCB 2545. No comments were received on the proposed changes.

Omega ATS will publish a notice indicating the date of implementation of the approved changes.
