

Grid Metals Provides a Clarification Respecting the Shareholder Meeting to be held on October 8, 2019

TORONTO, ON / ACCESSWIRE / September 25, 2019 / Grid Metals Corp. (TSXV:GRDM)(OTC:MSMGF) ("Grid" or "the Company") announces that the resolution to ratify the acts and proceedings of the Board of Directors described in the Information Circular of the Company for the Annual and Special Meeting of the shareholders to be held on October 8, 2019 will not be put to the shareholders for approval. The resolution will be withdrawn at the meeting because the Information Circular for the meeting does not adequately set forth all of the details related to the acts and proceedings of the Directors in sufficient detail for a shareholder to make an informed decision on the subject matter of the resolution. For clarity, management of the Company has determined that there are no acts or proceedings taken by the Board of Directors which requires approval of the shareholders in any event. This clarification to the Information Circular has been made at the request of OSC staff in connection with an OSC review of the disclosure record of the Company.

About Grid Metals Corp.

Grid Metals Corp. is an exploration and development Company that has a diversified portfolio of projects in the nickel-copper-platinum group metals and lithium-rare metals sectors. These commodities are vital to the emerging battery metals and energy storage sector. All of Grid's projects are located in secure North American mining jurisdictions. The Company is focused on timely advancement of its property portfolio through prudent exploration and development activities.
