OSC STAFF NOTICE OF COMMISSION APPROVAL
INVESTMENT INDUSTRY REGULATORY ORGANIZATION OF CANADA
HOUSEKEEPING AMENDMENTS TO FORM 1
TO ADOPT CANADIAN AUDITING STANDARDS (CAS) FOR THE
AUDITS OF REGULATORY FINANCIAL STATEMENTS FORM 1

The Ontario Securities Commission approved the IIROC's housekeeping amendments to Form 1 to adopt CAS for the audits of regulatory financial statements. The Alberta Securities Commission, the Autorité des marchés financiers, the Newfoundland and Labrador Securities Division, the New Brunswick Securities Commission, the Nova Scotia Securities Commission and the Saskatchewan Financial Services Commission also approved the amendments. The British Columbia Securities Commission did not object to the amendments.

The objective of the amendments is to amend the sample auditors' reports that are used in the filing of both current CGAAP-based and IFRS-based versions of Form 1. These amendments result in the replacement of the former Part I and Part II auditors' reports with two new auditors' reports that are in compliance with the new CAS which came into effect for audits of financial statements for periods ending on or after December 14, 2010.

A copy of the IIROC Notice is attached as Appendix A, including the amended Forms.

AMENDMENTS TO FORM 1 TO ADOPT CAS FOR THE AUDITS OF REGULATORY FINANCIAL STATEMENTS

Amendments to Form 1 to adopt CAS for the audits of regulatory financial statements

On January 27, 2011, the Board of Directors (the Board) of the Investment Industry Regulatory Organization of Canada (IIROC) approved the housekeeping amendments to Form 1 to adopt Canadian Auditing Standards (CAS) for the audits of regulatory financial statements (prepared under both the current CGAAP-based Form 1 and the proposed IFRS-based Form 1). The housekeeping amendments are to the sample auditors' reports to be used in the filing of both current CGAAP-based and proposed IFRS-based versions of Form 1 and are effective for periods ending on or after December 14, 2010.

Summary of the nature and purpose of the amendments

Canada adopted the CASs for the audits of financial statements and other historical financial information for periods ending on or after December 14, 2010. The CASs are now effective in Canada and are Canadian generally accepted auditing standards. In order to adopt the CASs for the purposes of auditor reporting to IIROC on Dealer Member Form 1 filings, the Canadian Institute of Chartered Accountants (CICA) and the Broker Auditor Committee revised the Form 1 auditor's reports in the fall of 2010. These reports are adopted by IIROC as a "housekeeping" rule proposal. IIROC staff have classified the amendments as "housekeeping" in nature as the amendments:

- while material to the auditing profession, do not represent material change to the scope or quality of the opinion that IIROC will be provided by the auditors;
- have no material impact on investors, issuers, Dealer Members or the capital markets in any province or territory of Canada; and
- are reasonably necessary to ensure IIROC Rules conform to applicable securities legislation, statutory or legal requirements.

These amendments result in the replacement of the former Part I and Part II auditors' reports with two new auditor's reports that are in compliance with CAS.

For the CGAAP-based Form 1, the first auditor's report will provide the auditor's opinion on Statements A, E and F - the balance sheet, the income statement and the changes in equity. The second auditor's report will provide the auditor's opinion on Statements B, C, D and G - the regulatory reports covering risk adjusted capital (RAC), early warning excess (EWE) and early warning reserve (EWR), the free credit segregation amount and subordinated loans. As the Schedules are an integral part of the Statements, the auditor's reports will encompass these Schedules by references from the Statements.

For the IFRS-based Form 1, the first auditor's report will provide the auditor's opinion on Statements A, E and F - the balance sheet, the income statement and the changes in equity. The second auditor's report will provide the auditor's opinion on Statements B, C and D - the regulatory reports covering risk adjusted capital (RAC), early warning excess (EWE) and early warning reserve (EWR) and the free credit segregation amount. As the Schedules are an integral part of the Statements, the auditor's reports will encompass these Schedules by references from the Statements.

The housekeeping amendments to the current CGAAP-based Form 1 and the proposed IFRS-based Form 1 are set out in Attachment A and Attachment B, and a black-line copy of each is set out in Attachment C and Attachment D.

Management’s responsibility for the Statements

Management is responsible for the preparation and fair presentation of these Statements in accordance with the financial reporting provisions of the Notes and Instructions to Form 1 prescribed by the Investment Industry Regulatory Organization of Canada and for such internal control as management determines is necessary to enable the preparation of Statements that are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on these Statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. In making those risk assessments, the auditor considers internal control relevant to the Dealer Member’s preparation and fair presentation of the Statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Dealer Member’s internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
