

Datametrex Announces Change of Auditor

Toronto, Ontario--(Newsfile Corp. - August 10, 2021) - **Datametrex AI Limited (TSXV: DM) (FSE: D4G) (OTCQB: DTMXF) (the "Company" or "Datametrex")** announces that its auditor, SRCO Professional Corporation (the "**Former Auditor**"), has resigned effective June 25, 2021, and has indicated it will no longer provide audit services to publicly traded companies.

The Company's Board of Directors and the Company's Audit Committee have accepted the resignation of the Former Auditor. The appointment of a new auditor is currently under review by Datametrex's Audit Committee and discussions have been ongoing with a potential successor auditor to fill the vacancy as required under *National Instrument 51-102 - Continuous Disclosure Obligations* ("**NI 51-102**").

In accordance with NI 51-102, Datametrex has delivered a copy of a change of auditor notice (the "**Notice**") to the Former Auditor and the Former Auditor has provided its written response confirming that it agrees with the statements set forth in the Notice, which has been filed on SEDAR. As soon as a successor auditor to the Former Auditor has been appointed, Datametrex will file a further press release confirming such appointment and whether the successor auditor agrees with the statements in the Notice.

The Former Auditor's reports with respect to Datametrex's financial statements for the fiscal years ended December 31, 2020 and December 31, 2019 did not contain a modified opinion and no "reportable event" (as such term is defined in NI 51-102) has occurred during the period covered by such financial statements or the period from December 31, 2020 to the date of the Former Auditor's resignation.

"The Company believes considering size of the Datametrex revenues and in the interest of retail and institutional investors, that a larger audit firm would be a benefit, and the Company is currently evaluating auditing proposals, including firms from the big four," stated Marshall Gunter, CEO of Datametrex.

The filing of the Notice and the letter of the Former Auditor was made at the request of the staff of the Ontario Securities Commission (the "**OSC**") in connection with a continuous disclosure review of the company.
