Instructions:

These reports must be filed by every entity that is authorized under provincial legislation to engage in the business of dealing in securities, or to provide portfolio management or investment counselling services (**Registrants/Exempt Dealers/Exempt Advisers**) (see Note 1).

Reports filed under the *Justice for Victims of Corrupt Foreign Officials Act* should be filed without delay to your principal regulator, and once every three months after that. Reports under the *Justice for Victims of Corrupt Foreign Officials Act* are only required where the report is positive.

Reports filed under the *Criminal Code* (Canada) must be sent by e-mail or electronic form to your principal regulator no later than the fourteenth (14th) day of each calendar month. If such a day falls on Saturday, Sunday or statutory holiday, the report is due on the next business day. The reporting month is the month on which the report is based (e.g. for the report due on December 14, the reporting month would be November). Both positive and negative reports are required by the *Criminal Code* (Canada).

Please see Appendix A of this form for the e-mail address or link to the electronic form designated by each of the CSA regulators for this purpose.

You must review your records on a continuing basis for any dealing with Designated Persons. You must consult with the *CSA Guide to Suppression of Terrorism and Canadian Sanctions Reporting* before filing the report.

Notes:

These Notes are provided as general information only. They do not constitute legal advice, and are not intended to replace the laws referred to in this report. You should refer to these laws for full details regarding your obligations.

** For reports filed with the OSC as the principal regulator, you will need to complete and submit the electronic form if your firm's name appears on the drop-down menu in the electronic form. If your name does not appear you will need to email your report to UNReports@osc.gov.on.ca.*

1. The information required in this report is required pursuant to section 83.11 of the *Criminal Code* (Canada) and other Canadian federal legislation requiring STCS Reports. Members of the Investment Industry Regulatory Organization of Canada (**IIROC**) are requested to use the appropriate reporting forms issued by, and file those forms with, IIROC.

2. All reports must cover continuous dates and there must be no gaps in the reporting periods starting with the first day of each reporting period and ending with the last day.
3. All amounts must be stated in Canadian dollars. NOTE: If the original amount of the property frozen is denominated in a currency other than Canadian dollars, then the Canadian dollar equivalent should be reported using the same rate of exchange that was in effect on the date that the property was originally frozen and reported to law enforcement.
4. You must include information from any branches located outside Canada.
5. This is an aggregate report of dealings that Registrants/Exempt Dealers/Exempt Advisers have with Designated Persons. Do not append personal information or account or policy information. Such information must be directed, if applicable, to the Royal Canadian Mounted Police, the Canadian Security Intelligence Service, and if applicable, the Financial Transactions and Reports Analysis Centre of Canada (**FINTRAC**) and, in respect of any foreign operations, to foreign law enforcement officials.
6. This report is a consolidated report. You must include information reported by your subsidiaries.
7. This report is cumulative. Information reported in the previous period must continue to be reported on the form for the current period unless the person in whose name the property is identified is no longer subject to the reporting requirements in a STCS Report.
8. If there are no assets frozen, you may file a NIL report by checking the “No” box on page 2 to confirm this. This includes situations where you may be seeking clarification from the authorities about whether an account holder is in fact a Designated Person; in other words you may file a NIL report where you have not made a determination that you are dealing with a Designated Person. There is no need to report numbers of accounts where you are still seeking clarification from the authorities.
9. All amounts and numbers provided must be entered in the table. Appendices that refer to additional information are not acceptable unless they provide clarifying information relating to data in the table.

Reminder: The *Criminal Code* (Canada) and other Canadian federal legislation requiring STCS Reports will generally require every person in Canada and every Canadian outside of Canada to disclose forthwith to the Commissioner of the Royal Canadian Mounted Police and /or the Director of the Canadian Security Intelligence Service (a) the existence of property in their possession or control that they know or have reason to believe is owned or controlled by or on behalf of a Designated Person, and (b) information about a transaction or proposed transaction in respect of a property in their possession or control that they know or have reason to believe is owned or controlled by or on

behalf of a Designated Person. In addition, under the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act*, persons subject to that Act are also required to report to FINTRAC.
