OF ONTARIO
(the “Jurisdiction”)

AND

IN THE MATTER OF
THE PROCESS FOR EXEMPTIVE RELIEF
APPLICATIONS IN MULTIPLE JURISDICTIONS

IN THE MATTER OF
ANGELLIST, LLC (“AngelList”) and ANGELLIST ADVISORS, LLC
 (“ALA”, collectively with AngelList, the “Filers”)

DECISION

Background

The Filers operate an online platform that offers a number of services to start-up businesses that operate primarily in the technology sector (**Start-ups**), including services to facilitate venture capital and angel investing in Start-ups that meet certain criteria. All investors on the platform must qualify as an accredited

investor (as defined in Canadian securities legislation) (**Accredited Investors**) and must also have prior experience in venture capital and angel investing, such that they have an understanding of the risks of investing in Start-ups through the platform.

In conjunction with ALA's application for registration in all of the provinces of Canada, ALA is seeking relief from certain requirements under the securities legislation of the Jurisdiction of the principal regulator (the **Legislation**). This decision (the **Decision**) has been considered in the context of the CSA Regulatory Sandbox (as defined below) initiative and is made on a time-limited, test case basis. This Decision is based on the unique facts and circumstances of the Filers.

ALA is currently registered in Ontario as a restricted dealer. The Filers previously applied for and received exemptive relief from the prospectus requirement in a decision of the Ontario Securities Commission (**OSC**) (the **Prior Commission Decision**) and from certain registrant obligations in a decision of the Director (the **Prior Director Decision**) dated October 24, 2016 (together, the **Prior Ontario decision**) on terms substantially similar to this Decision.

Relief from registrant obligations

1. The Filers have applied for exemptive relief pursuant to section 15.1 of National Instrument 31-103 *Registration Requirements, Exemptions and Ongoing Registrant Obligations* (**NI 31-103**) for ALA from the following:
 - (a) the requirement in subsection 12.10(2) [*Audited financial statements*] of NI 31-103 that the annual financial statements delivered to the regulator must be audited (the **audited financial statement requirement**);
 - (b) the requirement in subparagraph 13.2(2)(c)(i) [*Know-your-client*] of NI 31-103 that a registrant must take reasonable steps to ensure that it has sufficient information regarding the client's investment needs and objectives (the **know-your-client requirement**);
 - (c) the requirement in section 13.3 [*Suitability*] of NI 31-103 that a registrant must take reasonable steps to ensure that, before it makes a recommendation to or accepts an instruction from a client to buy or sell a security, the purchase or sale is suitable for the client (the **suitability requirement**);
 - (d) the requirement in section 13.16 of NI 31-103 [*dispute resolution service*] that a registered firm have a certain dispute resolution service provider (the **dispute resolution requirements**); and
 - (e) the requirement to deliver the disclosure and reporting requirements in paragraphs 14.2(2)(i), (j), and (k) [*Relationship Disclosure Information*] and Division 5 [*Reporting to clients*] of Part 14 of NI 31-103 (the **disclosure and reporting requirements**) (together with the preceding paragraphs, referred to as the **Registrant Obligations Relief Sought**),

provided that ALA ensures only Quality Investors (as defined below) access the Restricted Services (as defined below) and registration is limited to two years from the date of this Decision.

Prospectus Relief

2. ALA has applied for an exemption from the prospectus requirement in connection with distributions by an SPE (as defined below) to Quality Investors (as defined below) who acquire securities of SPEs through the platform (as described in this Decision) (the **Prospectus Relief Sought**).

Repeal and replacement of OSC decision

3. The Filers have applied, pursuant to s. 144 of the *Securities Act* (Ontario) (**the Act**), to repeal the Prior Ontario decision effective as of the date of this Decision (the **Ontario Relief Sought**).

The principal regulator in the Jurisdiction has received an application from the Filers for a decision under the securities legislation of the Jurisdiction (the **Legislation**) for the Registrant Obligations Relief Sought, the Prospectus Relief Sought and the Ontario Relief Sought.

Under the Process for Exemptive Relief Applications in Multiple Jurisdictions (for a passport application):

- (a) the OSC (**Principal Regulator**) is the principal regulator for this application; and
- (b) the Filers have provided notice that subsection 4.7(1) of Multilateral Instrument 11-102 *Passport System* (**MI 11-102**) is intended to be relied upon in each of the other provinces of Canada.

Representations

This Decision is based on the following facts represented by the Filers:

The Filers

- 3. ALA is registered as a restricted dealer in Ontario and has applied for registration as a restricted dealer in each other province of Canada.
- 4. ALA is a limited liability company formed under the laws of the state of Delaware. ALA is a subsidiary of Angellist, a limited liability company formed under the laws of the state of Delaware. A minority interest in ALA is held by Angellist EI, LLC (which is wholly-owned by employees of ALA or ALA's affiliates). The head offices of the Filers are in San Francisco, California, United States of America.
- 5. ALA is an "exempt reporting adviser" in the U.S. ALA relies on an exemption from SEC investment adviser registration requirements under sections 203(l) [*venture capital fund adviser exemption*] of the *Investment Advisers Act of 1940* and related rules. As an exempt reporting adviser, ALA is subject to oversight by the SEC, including the requirement to pay fees to the SEC, to report annually certain information to the SEC and to have policies regarding the dissemination of material, non-public information and anti-fraud measures. ALA is also subject to review by the SEC.
- 6. The Filers are not registered as broker-dealers with the SEC under U.S. federal securities laws. The Filers rely on a no action letter issued to them by the SEC dated March 28, 2013 regarding the scope of their permitted activities in the U.S. without registering as broker-dealers in accordance with section 15(b) of the *Securities Exchange Act of 1934*. The Filers also rely on the no action letter issued to FundersClub Inc. and FundersClub Management LLC by the SEC dated March 26, 2013 with respect to their activities as an exempt reporting adviser. The Filers also rely on section 201(c) of the JOBS Act.

7. Angellist Ltd., an affiliate of the Filers, is authorized by the Financial Conduct Authority to carry on the following limited regulated activities in the United Kingdom: arranging (bringing about) deals in investments, dealing in investments as agent, and making arrangements with a view to transactions in investments. Through a passport process, Angellist Ltd. is permitted to carry out its permitted activities to countries in the European Economic Area.
8. The Filers wish to offer certain of the services (as described below) to issuers and investors in Canada. As these services will involve the facilitation of trades in securities of issuers to Quality Investors for the purposes of venture capital and angel investing, ALA is registered as a restricted dealer in Ontario and wishes to become registered as a restricted dealer in each other province of Canada.
9. The Filers are seeking the Prospectus Relief Sought and the Registrant Obligations Relief Sought to allow Quality Investors and issuers resident in other Canadian provinces to access the Restricted Services (as defined below).
10. The Filers are not in default of securities legislation in any jurisdiction of Canada, subject to the matter to which this Decision relates. The Filers are in compliance in all material respects with U.S. and U.K. securities laws.
11. The Filers do not currently prepare financial statements that are audited. During the two year period to which this Decision relates, the Filers will be working towards providing the Principal Regulator with annual financial statements audited in accordance with U.S. generally acceptable accounting principles and standards.

Services

Public Services

12. Angellist operates an online networking website (the **Platform**) that allows start-ups, accelerators, incubators, angel investors and other individuals in the start-up sector (together, the **Participants**) to connect with each other and to raise their profile in the start-up community. The Platform is primarily aimed at technology or technology-enabled Start-ups.
13. Any Participant can post a profile on the Platform that contains general information about itself, including, as applicable, its products or services, and its management team (a **Profile**). A Profile is publicly available to anyone accessing the Platform. A Start-up may also post confidential information and grant access only to certain Participants.
14. After setting up a Profile, a Participant may request a connection by visiting another Participant's profile (the **Connection Services**). Angellist will confirm the relationship between the Participants. A verified connection is required in order for a Participant to send other Participants a message or request an introduction to other Participant's connections.
15. Any Start-up can also post job openings on the Platform and seek applicants from Participants on the Platform for such job openings (the **Recruiting Services**) (together with the Connection Services, the **Public Services**).

Restricted Area and Restricted Services

16. The Platform includes a password protected area (the **restricted area**). Participants must apply to enter the restricted area, and ALA only permits Accredited Investors to enter the restricted area.
17. Once Participants have been approved for access to the restricted area, they may further apply to access certain services, which are referred to below as **Restricted Services**. ALA only permits Quality Investors to access the Restricted Services. Based on the Filers' experience in the United States, approximately 30% of U.S. accredited investors that apply to access the Restricted Services meet ALA's Quality Investor standard and are approved to use the Restricted Services.
18. The Restricted Services consist of the following:
 - a. ALA allows both Start-ups and Lead Investors (as defined below) the ability to raise money for a specific Start-up by forming a syndicate of investors through the Platform (the **Syndicate Services**).
 - b. ALA provides a transaction update email to Quality Investors. ALA has an algorithm that uses objective criteria to identify Start-ups seeking to raise capital from a syndicate of investors and provides a list of these Start-ups to Quality Investors who request this information.
 - c. ALA offers a program for Quality Investors who plan to invest over USD\$600,000 through the Platform (the **Professional Investor Program**). Under this program, ALA introduces these Quality Investors to Start-ups that do not wish to make it known publicly that they are raising capital through a syndicate.
19. In the U.S., accredited investors who are not Quality Investors may invest in diversified funds created by ALA (referred to as **Funds**) that invest in a wide variety of syndicates on the Platform. ALA is seeking registration only as a restricted dealer. ALA may, at a later date, wish to offer Canadian investors the opportunity to invest in the Funds. Prior to allowing Canadian investors the opportunity to invest in the Funds, ALA will apply for and obtain registration as required by the Principal Regulator and regulators in other Canadian jurisdictions.

Services to be Offered in Canada

20. Angellist proposes to make the Public Services available to participants.
21. ALA proposes to make the Syndicate Services available to:
 - a. Start-ups and Lead Investors (described below), and
 - b. Quality Investors,subject to certain restrictions set out below.
22. ALA will make the Professional Investor Program available to Quality Investors who qualify as a "permitted client" as defined in section 1.1 of NI 31-103.

Syndicate Services

23. Syndicates can be formed by the founder or management of a Start-up itself or by an investor who is investing in a single Start-up, who wishes to make this investment opportunity available to other

investors (co-investors) on the same terms and conditions, and who has been reviewed and approved by ALA as described in paragraphs 62 to 69 (a **Lead Investor**). Each syndicate only invests in securities of a single Start-up (a **syndicate**).

24. A Start-up or Lead Investor requests approval from ALA to establish the syndicate.
25. ALA reviews the request from the Start-up or Lead Investor and determines whether to allow the Start-up or Lead Investor to form a syndicate. In reviewing a request to form a syndicate, ALA reviews the Start-up for the following features:
 - a. Whether the Start-up is a growth-oriented technology or technology-enabled company that has the potential to develop into a large stand-alone business;
 - b. Whether the Start-up is focused on a product or service that will provide social, economic or environmental benefits or that is likely to meet a strong market demand; and
 - c. Whether, in ALA's opinion, the Start-up is likely to appeal to Quality Investors.
26. ALA will not permit reporting issuers or any public company in any other jurisdiction to form a syndicate on the Platform.
27. If ALA grants approval to form a syndicate, the Start-up or the Lead Investor, as applicable, completes and posts an investor note (the **investor note**) about the syndicate on the restricted area of the Platform. The investor note contains factual information about the proposed capital raise, the Start-up to be invested in, any co-investors, the risks associated with investing in the Start-up, past financing of the Start-up, and other key investment terms and conditions.
28. Interested Quality Investors may conduct due diligence on the Lead Investor and/or the Start-up. Quality Investors use their own judgement whether to invest in a syndicate.
29. Neither ALA nor the Lead Investor nor the Start-up:
 - a. provide specific recommendations or advice to particular Quality Investors about the suitability of an investment in a Start-up through an SPE (as defined below); or
 - b. recommend or solicit any particular purchase or sale by a Quality Investor of an SPE's (as defined below) securities.
30. Interested Quality Investors may submit non-binding requests for additional information through the Platform to either the Start-up or Lead Investor about the Start-up that is being syndicated.
31. If there is sufficient interest to proceed with closing a syndicate investment, ALA establishes a special purpose entity (**SPE**) to accept the funds from committed investors and to acquire the Start-up's securities. The SPE formed to invest in the Start-up is required under U.S. securities law to have 99 or fewer investors. For investments in Eligible Canadian Start-ups, for tax reasons Canadian investors may be aggregated into a parallel Canadian SPE. The parallel Canadian SPE will otherwise invest on identical terms and conditions to a standard SPE.
32. ALA has engaged an arms' length consulting and fund administration firm (the **SPE Manager**) to provide administrative services in relation to the SPEs. On behalf of ALA, the SPE Manager handles the

formation and organization of each SPE, certain closing procedures for the syndicate investments, securities filings, ongoing administration, and winding up the SPE where applicable.

33. The first time a Quality Investor invests with a syndicate, prior to closing of that syndicate, the Quality Investor is asked to confirm his or her interest in investing in Start-ups generally, and to acknowledge a series of risk warnings including warnings as to risk of total loss of the investment, illiquidity of the securities and dilution risk, and the need for the Quality Investor to conduct his or her own due diligence on the Start-up. Detailed risk warning acknowledgements are not obtained from Quality Investors on subsequent investments; however, certain risks are acknowledged upon each Quality Investor's acceptance of the provisions of the Closing Documents (as defined below).
34. For each syndicate, prior to closing that syndicate, the Quality Investor is also asked to reconfirm its accredited investor status. If a Quality Investor indicates that its status has changed such that it is no longer an accredited investor, the investor is not permitted to invest with the syndicate and is not permitted to access the restricted area of the Platform. Quality Investors electronically agree to and sign the SPE's closing documents on the Platform and are provided with wire instructions for their investment amounts.
35. After a Quality Investor commits to making an investment with a syndicate, the Quality Investor receives the following documents: the SPE's operating or limited partnership agreement, the SPE's private placement memorandum, the subscription or purchase agreement for the purchase of securities of the SPE, an investor statement (which is a screen confirming how much the Quality Investor invested in the SPE and the corresponding investment by the SPE in the Start-up as of the specific date), a signature certificate (which is a screen showing the investor that documents have been digitally signed and a digital fingerprint provided for security reasons) and the investor note (collectively, the **Closing Documents**). The SPE Manager will retain the Closing Documents for eight years.
36. Either the Filers or SPE Manager will deliver electronically to the securities regulatory authority of each jurisdiction of Canada where a distribution occurs, any of the Closing Documents that constitute an offering memorandum (as defined under the Legislation). The Filers will inform the Start-up that the Start-up must deliver electronically to the securities regulatory authority of each jurisdiction of Canada where a distribution occurs a copy of any document that constitutes an offering memorandum (as defined under the Legislation) that has not already been delivered by the Filers or SPE Manager.
37. Prior to closing a syndicate, ALA uses a third party service (such as Blockscore or Jumio) to verify the identity of each Quality Investor. ALA also runs anti-money laundering and terrorist financing checks. The verification process and anti-money laundering and terrorist financing checks are performed on both individual and non-individual Quality Investors (entities). For non-individual Quality Investors, the Filers contact the investor by email to determine the identity of the individual principal(s) of the Quality Investor. AML and terrorist financing checks are performed through a politically exposed person (PEP) list and/or Office of Foreign Assets Control (OFAC) list search. Similar verification processes and checks will be performed for Canadian investors.
38. ALA conducts a review of each Start-up's constating documents and Closing Documents to ensure they are consistent with the information in the Profile and the investor note, the results of any background checks and any accompanying materials or information provided to it by an investor, the Lead Investor and/or the Start-up and determines if the Closing Documents are complete, consistent and not misleading. If it appears to ALA that the Closing Documents are incomplete, inconsistent or misleading, ALA will require the Closing Documents to be corrected, made complete, or clarified.

39. Neither the Filers nor the SPE holds, handles or controls any investor or Start-up funds. The funds are held by and deposited in a single trust account that has been established by a FDIC-member U.S. bank in the name of the bank for the benefit of investors investing through the Platform. The Filers do not intermingle their own monies in this account.
40. Once all expected funds have been received by the bank, the bank notifies ALA. ALA then issues advice to the bank to initiate funds transfer to the Start-up.
41. All Quality Investors in the syndicate are e-mailed to inform them that the SPE investment, and the investment by the SPE in the Start-up, is finalized and to provide them with a copy of the final Closing Documents.
42. The Filers will utilize the same bank and procedures for investments in Eligible Canadian Start-ups completed on the Platform. Although initially the Platform will only support transactions denominated in U.S. dollars, the Filers plan to support transactions in Canadian dollars and utilize Canadian banking services as required for transactions in Canadian dollars.
43. Quality Investors have access to an individual account on the Platform where they may view information about the transaction and access copies of the Closing Documents. The Closing Documents will be retained and made available to Quality Investors through the Platform for at least eight years.
44. For their role in a syndicate, ALA and the Lead Investor will only receive compensation equal to a portion of the increase in value, if any, of the investment as calculated at the termination of the investment in the SPE (the **Carried Interest**), and will not receive any transaction-based compensation. None of the Filers, the Lead Investor, nor any of their officers or directors receive any other form of commission or transaction-based compensation related to the Restricted Services, including the Syndicate Services.
45. ALA requires that each investor in a syndicate pay a portion of the costs associated with the closing of the syndicate investment (such as legal fees) in proportion to the investor's investment.
46. Neither the syndicate nor the SPE borrows funds from investors or the public for any reason. The syndicate, the SPE and the Filers do not loan money or extend margin to investors that wish to invest in a Start-up as part of a syndicate.
47. The Filers do not facilitate any secondary trading of previously issued securities, whether originally issued to the members of a syndicate or otherwise.
48. From the date of the OSC decision to the date of this Decision, seven Start-ups have raised capital from a syndicate on the platform in reliance on the Prior Ontario Decision. The Filers are in compliance with all of the terms and conditions of the Prior Ontario Decision.

Professional Investor Program

49. ALA is involved with a number of syndicates in which the Start-up does not wish to disclose publicly that it is seeking funding (the **Private Syndicates**).
50. These Private Syndicates are only made available to Quality Investors who:

- a. intend to invest over USD\$600,000 in syndicates through the Platform;
 - b. invest, on average, at least USD\$50,000 per month in syndicates;
 - c. sign a non-disclosure agreement with ALA; and
 - d. are able to make investment decisions in a timely manner.
51. ALA has automated functionality that matches between one to five Private Syndicates with the Quality Investor's selected objective criteria, based on filters that the Quality Investor selected when the Quality Investor signed up for the Professional Investor Program.
52. ALA provides the list of Private Syndicates to the Quality Investor.
53. The Quality Investor conducts its own due diligence on the Start-up of the Private Syndicate.
54. The Quality Investor will make its own decision as to which Private Syndicate to invest in. The same investment procedures that are used for a typical syndicate also apply to a Private Syndicate.
55. There are no fees for participating in the Professional Investor Program.

Participants

Investors

56. When opening an account with AngelList, each investor provides the Filers with the following information:
- a. The category of accredited investor the investor meets, which for Canadian investors will correspond to the definition of accredited investor in Canadian securities legislation;
 - b. The amount the investor has budgeted for investing in Start-ups on the Platform;
 - c. The investor's net worth band (e.g., > \$1 million, > \$2 million, > \$5 million, with currency being denominated in U.S. dollars). For Canadian investors, bands will be denominated in Canadian dollars;
 - d. The proportion of the investor's net worth that the investor's budget for investing in Start-ups represents; and
 - e. The investor's experience in investing in Start-ups or working for or with private equity firms and venture capital firms and the investor's connection to other investors and Start-ups on the Platform.

The above-listed information is retained on the Platform by the Filers for 8 years.

57. In addition to providing the information in paragraph 56, each investor acknowledges the following risks associated with investing in Start-ups generally when signing up to access the Public Services and Restricted Services:

- a. Risk of loss of an investor's entire investment in a Start-up;
- b. Illiquidity risk;
- c. No due diligence of a Start-up is conducted by the Filers;
- d. Dilution risk;
- e. Risk of change in the Start-up's plans, markets and products; and
- f. No recommendation or advice is provided by the Filers to the investor.

In addition:

- g. Prior to making an investment, the investor must acknowledge that it will receive limited or no initial or ongoing information about the investment; and
- h. The investor note will disclose any conflicts of interest that may exist.

The above-listed information is retained on the Platform or by ALA for 8 years.

58. ALA assesses each investor's experience and knowledge with respect to venture capital and angel investing based upon the following information:
- a. The investor's previous venture capital and angel investments and the size of those investments (as declared by the investor);
 - b. The investor's connections to other founders and investors, and ALA's assessment of those founders and investors; and
 - c. ALA's judgement about an investor's previous venture capital and angel investing experience with other top investors and the investor's reputation.
59. Using a computer algorithm, ALA rates each investor on a scale of one to ten based on the information provided by the investor (a **Quality Investor Score**). Only investors with a Quality Investor Score of at least 6.5 out of 10 are approved by ALA as Quality Investors. In order to access the Restricted Services an investor must first be approved as a Quality Investor.
60. ALA does not initially approve an investor if the investor has an initial Quality Investor Score of less than 6.5 out of 10 or if the investor has indicated that he or she plans to invest more than 9% of his or her net worth in Start-ups. ALA may conduct a further review of these investors who are not initially approved. If ALA's manual review of the investor discloses information which would materially increase the investor's Quality Investor Score (for example, the investor has significant venture capital or angel investing experience that was not reflected on its profile on the Platform), the investor may be approved as a Quality Investor and permitted to invest in syndicates through the Platform.
61. In Canada, Accredited Investors that are not Quality Investors will not be permitted to invest as part of a syndicate through the Platform and will not be permitted access to the Restricted Services.

Lead Investors

62. Only Accredited Investors can apply to be Lead Investors. ALA retains the right and full discretion to determine whether a person may act as a Lead Investor.
63. ALA reviews a potential Lead Investor for previous experience related to venture capital and angel investing by reviewing the Lead Investor's activity on relevant social media and other websites (such as Crunchbase and Google).
64. ALA also reviews references provided by each Lead Investor related to the Lead Investor's prior Start-up investments.
65. If ALA is not satisfied that a Lead Investor has sufficient knowledge and experience related to Start-up and/or venture capital investing, ALA will also consider whether there is a Credible Investor involved in the syndicate and who is investing on the same terms and conditions as the investors in the syndicate.
66. Where ALA approves a Lead Investor to form a syndicate, ALA requires each Lead Investor to sign an agreement with ALA. For so long as the Lead Investor has an interest in the Start-up that the Lead Investor has syndicated, this agreement requires, among other things, the Lead Investor:
 - a. To assist ALA and the SPE Manager as necessary to allow ALA and the SPE Manager to comply with applicable regulatory requirements pertaining to the syndicate and the investment in the Start-up,
 - b. To provide ALA with information about the Start-up as required by ALA or the SPE Manager to service the syndicate, and
 - c. To provide ALA with written notice of certain events, including subsequent investment in the Start-up by the Lead Investor, sale or transfer of the Lead Investor's securities in the Start-up, and how the Lead Investor has voted.
67. Lead Investors are required to disclose all conflicts of interest to ALA and to potential Quality Investors. Conflicts of interest that must be disclosed include whether the Lead Investor invested in previous round of financing by the Start-up, is an employee or officer of the Start-up, or has family members working at the Start-up, any other circumstances judged by ALA to constitute conflicts or potential conflicts.
68. The Lead Investor invests either directly with the Start-up or alongside other investors in the syndicate on the same terms and conditions as the investors in the syndicate.
