CSA STAFF NOTICE AND REQUEST FOR COMMENT 25-304 APPLICATION FOR RECOGNITION OF NEW SELF-REGULATORY ORGANIZATION

May 12, 2022

1. Background

Following extensive public consultations, the Canadian Securities Administrators (**CSA**) published [CSA Position Paper 25-404 – New Self-Regulatory Organization Framework \(CSA Position Paper\)](#), recommending amalgamation of the Investment Industry Regulatory Organization of Canada (**IIROC**) and the Mutual Fund Dealers Association of Canada (**MFDA**) into a single self-regulatory organization (**SRO**), known at this time as New SRO, in order to provide a framework for efficient and effective regulation in the public interest, including an enhanced governance structure, improved investor protection and education, and strengthened industry proficiency. The CSA also recommended to amalgamate the two current investor protection funds, the Canadian Investor Protection Fund (**CIPF**) and the MFDA Investor Protection Corporation (**MFDA IPC**), into a single protection fund which will be independent from the New SRO. Amalgamation of the protection funds and related request for comment are addressed in a separate notice ([CSA Staff Notice and Request for Comment 25-305](#)).

IIROC and the MFDA have been working collaboratively to amalgamate their regulatory activities into the New SRO. IIROC and the MFDA have applied on behalf of the New SRO for its recognition as an SRO by the securities regulators in Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Northwest Territories, Nova Scotia, Nunavut, Ontario, Prince Edward Island, Québec, Saskatchewan and Yukon (**Recognizing Regulators**).

The Recognizing Regulators are publishing for comment the following documents:

The above documents reflect the recommendations from the CSA Position Paper and provide the basis for an enhanced regulatory framework, which will include the following key features:

- Clarifying and reinforcing New SRO's public interest mandate;
- Improving New SRO's governance structure by ensuring the board of directors and board committees are composed of a majority of independent directors and independent chairs, and the governance committee is composed of all independent directors;
- Articulating clear criteria for independent directors;
- Ensuring New SRO's appropriate cooperation with the Recognizing Regulators, including alignment of strategic and business plans, annual statements of priorities and budgets;
- Transforming the current IROC District Councils into Regional Councils to be tasked with an advisory role to staff of the New SRO on regional regulatory policy matters;
- Establishing formal investor engagement mechanisms such as an investor advisory panel and investor office and ensuring investors are represented on appropriate advisory committees; and
- Improving access to advice by providing an opportunity for introducing / carrying broker arrangements between mutual fund dealers and investment dealers

The Autorité des marchés financiers (**AMF**) is publishing simultaneously for comments its proposed transition plan for mutual fund dealers registered in Québec (**Québec MFDs**) and their registered individuals. Following the comment period, any required amendments with respect to the Québec MFDs and registered individuals will be incorporated into the Interim Rules of the New SRO to be effective upon the close of the amalgamation.

The Application, published below, outlines how the New SRO will meet the criteria of recognition outlined in Schedule 1 to the Draft Recognition Order for the New SRO attached below in Appendix B.

APPENDIX A

APPLICATION FOR RECOGNITION OF THE NEW SRO

To: Members of the Canadian Securities Administrators

Introduction

This letter sets out the joint application of the Investment Industry Regulatory Organization of Canada (“**IIROC**”) and the Mutual Fund Dealers Association of Canada (the “**MFDA**”, and together, the “**SROs**”) to the Alberta Securities Commission; Autorité des marchés financiers; British Columbia Securities Commission; Manitoba Securities Commission; Financial and Consumer Services Commission of New Brunswick; Office of the Superintendent of Securities, Digital Government and Services, Newfoundland and Labrador; Office of the Superintendent of Securities, Northwest Territories; Nova Scotia Securities Commission; Office of the Superintendent of Securities, Nunavut; Ontario Securities Commission; Prince Edward Island Office of the Superintendent of Securities; Financial and Consumer Affairs Authority of Saskatchewan; and Office of the Yukon Superintendent of Securities, which are collectively the “**Recognizing Regulators**” or members of the Canadian Securities Administrators (the “**CSA**”), to recognize the entity resulting from the amalgamation of IIROC and MFDA (the “**New SRO**”) as a self-regulatory organization under applicable securities legislation (the “**Application**”). The New SRO will also be a regulation service provider (“**RSP**”) under National Instrument 23-101 *Trading Rules* (“**NI 23-101**”), and an Information Processor (as defined under NI 21-101) for government and corporate debt securities, under applicable securities laws and NI 21-101.

Background

Subject to recognition by the Recognizing Regulators, and approval of the IIROC board of directors, the MFDA board of directors, and the members of the SROs, the SROs propose to consolidate their regulatory activities in the New SRO, through a legal amalgamation (the “**Amalgamation**”). The SROs will bring their memberships, assets, liabilities and legal and regulatory responsibilities, including memoranda of understanding, to the New SRO as a result of the Amalgamation. The main objective of creating the New SRO is to develop a regulatory framework that has a clear public interest mandate and fosters fair and efficient capital markets, by focusing on investor protection to promote public confidence and accommodating innovation and change. The Recognition Order will become effective upon the Amalgamation, at which time each of IIROC and the MFDA’s existing recognition orders will be superseded and will no longer have any force or effect.

The New SRO will be created in a manner consistent with the CSA Position Paper 25-404 – *New Self-Regulation Organization Framework* (the “**Position Paper**”, available in [English](#) and in [French](#)) and will reflect the CSA’s vision to provide enhanced regulation of the investment industry. The terms of the Recognition Order being sought for the New SRO reflect the principles and approach of the Position Paper.

IIROC members will vote on the proposed amalgamation at a special meeting of members. MFDA members will vote on the proposed amalgamation at a special meeting of members.

Corporate Governance

The New SRO will be a non-share capital corporation under the *Canada Not-for profit Corporations Act* (“**CNCA**”). Its mandate is to act in the public interest by, without limitation:

- (a) protecting investors from unfair, improper, or fraudulent practices by its Members (as defined below);
- (b) fostering fair and efficient capital markets and promoting market integrity;
- (c) fostering public confidence in capital markets;
- (d) facilitating investor education;
- (e) administering a fair, consistent and proportionate continuing education program for all Dealer Members and applicable approved persons;
- (f) accommodating innovation and ensuring flexibility and responsiveness to the future needs of the evolving capital markets, without compromising investor protection;
- (g) providing effective market surveillance;
- (h) fostering efficient and effective cooperation and coordination with the Recognizing Regulators to ensure regulatory alignment;

- (i) facilitating access to advice and products for investors of different demographics;
- (j) recognizing and incorporating regional considerations and interests from across Canada;
- (k) facilitating meaningful consultation and input from all types of Members and ensuring that investor perspectives are factored into the development and implementation of regulatory policies;
- (l) administering robust, compliance, enforcement and complaint handling and resolution processes;
- (m) contributing to financial stability, under the direction of the Recognizing Regulators; and
- (n) administering effective governance and accountability to all stakeholders and preventing regulatory capture.

A draft of the initial By-law No. 1 of the New SRO ("**By-Law No. 1**") is attached hereto as Schedule 1.

The New SRO will initially have two classes of members, Dealer Members and Marketplace Members (collectively, "**Members**"), each class having equal voting rights and voting together.

Dealer Members of the New SRO will be investment dealers and/or mutual fund dealers registered under applicable Canadian securities legislation and accepted for membership by the Board. All current IIROC Dealer Members and MFDA Members will become Dealer Members of the New SRO automatically pursuant to the terms of the Amalgamation.

A Marketplace Member of the New SRO will be a marketplace that is:

- (a) a recognized exchange or a commodity futures exchange registered in a jurisdiction of Canada;
- (b) a recognized quotation and trade reporting system; or
- (c) a person or company not included in clause (a) or (b) above that facilitates the trading of securities or derivatives in a jurisdiction of Canada; and
 - (i) constitutes, maintains or provides a market or facility for bringing together buyers and sellers of securities or derivatives;
 - (ii) brings together the orders for securities or derivatives of multiple buyers and sellers; and
 - (iii) uses established non-discretionary methods under which the orders interact with each other, and the buyers and sellers entering the orders agree to the terms of a trade.

All current Marketplace Members of IIROC will become Marketplace Members of the New SRO automatically pursuant to the terms of the Amalgamation.

A Member may qualify as both a Dealer Member and Marketplace Member but shall only be entitled to one vote on any vote by Members, unless a vote of members by class is required.

New SRO Board

By-law No. 1 will establish a 15-member board of directors of the New SRO (the "**Board**"), comprised of the President and CEO of the New SRO (the "**CEO**"), six individuals representing the Members, and eight Independent Directors (as defined below). The roles of CEO and chair of the Board will be occupied by separate persons, and the chair of the Board must be an Independent Director. Pursuant to By-law No. 1, directors of the New SRO (each, a "**Director**") will serve for staggered two-year terms (with 7 or 8 elected each year), for a maximum of four consecutive terms (not including stub terms), however there will be no term limit for the CEO. The Board will develop, maintain and comply with diversity and inclusion policies aimed at increasing underrepresented groups on the Board.

The term "Independent Director" means a Director who has no direct or indirect material relationship with the New SRO or a member of the New SRO. The full definition of "Independent Director" is set out in By-law No. 1.

The New SRO Board Committees

The Board will initially appoint four standing committees: the Governance Committee, the Finance, Audit and Risk Committee, the Human Resources and Pension Committee and the Appointments Committee.

The Governance Committee (the composition of which is described below), in accordance with By-law No. 1, and considering the overall composition of the Board and its representation of the Canadian capital markets, will recommend as nominees for election as Directors those individuals that it considers qualified and desirable.

The Governance Committee will consider all relevant factors in nominating directors to seek to ensure that the composition of the Board: (a) complies with the requirements of By-Law No. 1 and the Recognition Order, (b) provides fair, meaningful and diverse representation, (c) reflects the regional diversity of the New SRO's stakeholders, (d) otherwise reflects, in the judgement of the Governance Committee, the appropriate balance of interests and perspectives of the Members and stakeholders, (e) consists of, in the judgement of the Governance Committee, a reasonable number of Directors with relevant experience with investor protection issues and (f) addresses, in the judgement of the Governance Committee, actual, potential or perceived conflicts of interest arising from any relationship between a Member and a Director. The Governance Committee will consider, for each potential Director:

- appropriate regional representation across Canada;
- appropriate mix of skills, competencies, individual diversity and characteristics to contribute to a well-functioning Board able to service its mandate;
- the business interests of the candidate or entities with which the candidate is associated;
- the extent of overlap and/or integration of the boards and/or management between members and entities with which the candidate is associated;
- in the case of Independent Directors, whether the candidate would have met the test to be an Independent Director; and
- the appropriate resolution of any actual, potential or perceived conflicts of interest.

In addition, and in respect of Board nominees, the Governance Committee will focus on qualities such as integrity, business judgement and acumen, capital markets expertise and other relevant business, professional or board expertise, as well as ensuring that nominees are appropriate in recognition of the status of the New SRO as a self-regulatory organization in the various Canadian jurisdictions.

The Governance Committee will recommend, and the Board may appoint, directors to fill vacancies that arise between annual Members' meetings, ensuring that any such appointees maintain the Board composition specified by By-Law No. 1.

The initial Directors and chair of the Board (the "**Chair**"), proposed by the Special Joint Committee formed by IIROC, the MFDA and the CSA, will be described in the joint management information circular of IIROC and the MFDA.

The Governance Committee will periodically review the efficacy of the New SRO's governance practices.

The mandate of the Governance Committee will be to identify and recommend to the Board qualified nominees for election to the Board, as described above. The Governance Committee will be composed of not less than five directors, and may include the Chair of the Board. All of the members of the Governance Committee will be Independent Directors.

The mandate of the Finance, Audit and Risk Committee (the "**FAR Committee**") will be to assist the Board in its oversight of the integrity and effectiveness of the New SRO's accounting and financial reporting processes; the qualifications, independence and performance of the New SRO's external and internal auditors; the New SRO's processes relating to its internal control systems and security of information; and the New SRO's policies and processes for risk management. The FAR Committee will be composed of at least five Directors, a majority of which (including the chair of such committee) will be Independent (as defined by By-Law No. 1).

The mandate of the Human Resources and Pension Committee (the "**HR Committee**") will be to ensure that the New SRO can attract and retain personnel with the appropriate qualifications and experience to achieve its mandate, goals and strategic objectives by offering compensation, pension and benefit plans that are competitive, motivating and rewarding and assisting the Board in its oversight of the New SRO's human resources policies and procedures, benefits and pension plans and with ensuring regulatory compliance thereof. The HR Committee will be composed of at least five Directors, a majority of which (including the chair of such committee) will be Independent.

The mandate of the Appointments Committee (the "**Appointments Committee**") will be to appoint members to the New SRO hearing committees (the "**District Hearing Committees**"). Members of District Hearing Committees will sit as hearing panel members in the Districts (as defined in By-Law No. 1). The Appointments Committee will be composed of at least seven Directors, including the President, and a majority of which (including the chair of such committee) will be Independent. The Appointments Committee will always be comprised of an uneven number of Directors.

National Council and Regional Councils

The New SRO will have a National Council and seven Regional Councils comprised of Dealer Members from each Region (as defined in By-Law No. 1).

The Regional Councils will have an advisory role and provide regional perspectives and recommendations on regulatory policy matters to staff of the New SRO. In addition, the Regional Councils will advise the New SRO on industry trends and issues to ensure that the New SRO is proactive in dealing with emerging issues.

The National Council will be comprised of the Chairs and Vice-Chairs of the Regional Councils and act as a forum for cooperation and consultation among the Regional Councils and provide recommendations on regulatory policy matters to the CEO and the Chair.

Functions currently residing with IROC District Councils relating to hearing committee nominations, and MFDA Regional Councils with respect to members sitting as hearing panel members, will not reside within the new council structure, as the Appointments Committee will have responsibility for appointing members to District Hearing Committees.

Advisory Committees

Advisory committees will provide advice to staff of the New SRO and report to the CEO. Each will be asked to conduct an annual “self-assessment” and the Board will conduct a biennial review of the overall advisory committee structure, to ensure that such committees are relevant and providing meaningful advice in a timely and effective manner.

The other existing advisory committees of the SROs will continue after the completion of the amalgamation on an interim basis.¹ The Board will evaluate and make changes to the advisory committee structure and/or mandates to ensure a consolidated approach.

Investor Engagement

A separate investor office within the New SRO that is prominently positioned, easily identifiable and accessible to investors will be established to support rule development and provide investor education or outreach with the goal of improving investor protection (the “**Investor Office**”).

The New SRO will also have an investor advisory panel to provide independent research or input on regulatory and/or public interest matters (the “**Investor Advisory Panel**”). The Board will be required to meet with the Investor Advisory Panel at least annually.

The New SRO will create a mechanism to formally engage directly with investor groups (on an advisory basis) to obtain broader input on the design and implementation of applicable policy proposals. The New SRO will also maintain a whistleblower program.

A draft of the terms of reference of the New SRO’s Investor Advisory Panel is attached hereto as Schedule 3.

Member Voting Rights

In respect of matters to be voted upon by Members (including the election of Directors), all Members will vote together and be entitled to one vote per Member. In accordance with the CNCA, certain matters such as amendments to the New SRO’s articles of amalgamation or by-laws, including creating a new class of members, and certain fundamental transactions such as an amalgamation or plan of arrangement of New SRO or disposition of all or substantially all of its assets, will require approval by a two-thirds vote of the Members. A vote of members by class may be required for certain amendments to the New SRO’s articles of amalgamation or by-laws in accordance with the CNCA, but will not be required to create a new class of members.

Conflicts of Interest

The governance structure, the rule-making and policy development process, the hearing committee process, and the disciplinary panel structure will all reflect the New SRO’s efforts to balance its public interest mandate and the views of its members and persons subject to its jurisdiction (“**Regulated Persons**”) as a self-regulatory organization.

The New SRO will have policies and procedures managing actual, potential or perceived conflicts of interest of its officers, employees and members of its disciplinary panels, as reflected in the Employee Code of Conduct (the “**Employee Code**”). The New SRO will undertake a review of each division where regulatory decisions are made by staff and will identify specific risk areas associated with conflicts of interest. The Employee Code will contain policies dealing with conflicts of interest in those areas where employees are required to make decisions on behalf of the New SRO as part of their regulatory responsibilities. In addition, internal policies and procedures of each division where employees exercise decision-making authority will contain more specific guidelines on how to comply with the Employee Code. Generally, these deal with disclosure of any conflicts with Regulated Persons and the allocation of responsibilities among staff that minimizes potential conflicts arising. The Employee Code will be approved by the Board and acknowledged by officers and employees initially and annually. The policies and procedures of the New SRO will require that the Employee Code be reviewed at least annually to ensure that it continues to appropriately meet its objectives.

¹ Existing advisory committees of the MFDA and IROC can be found on their respective websites: [IROC Advisory Committees](#) and the [MFDA Policy Advisory Committee](#).

The New SRO will also have a written policy managing conflicts of interest of members of its Board, which will be acknowledged by directors initially and on an annual basis. This policy will be reviewed periodically to ensure that it continues to appropriately meet its objectives and complies with the CNCA.

Fees

The New SRO will continue the project commenced during the amalgamation planning process to develop an appropriate fee model for the New SRO following the amalgamation. Development of a new fee model will be a complex exercise and will therefore require expert professional advice. Implementation of any such fee model will involve consultation with Members and other stakeholders and will be subject to a public comment process and approval by the Recognizing Regulators.

The following principles will be applied in a fee model adopted by the New SRO:

- All fees imposed by the New SRO must be equitably allocated and be proportionate to Members' activities.
- Fees must not have the effect of creating unreasonable barriers to access, especially for small and independent Members.
- The process for setting fees must be fair and transparent.
- The New SRO must operate on a cost-recovery basis.

Upon the creation of the New SRO, and on an interim basis, the existing fee structures and models of IIROC (with respect to current IIROC Members) and the MFDA (with respect to current MFDA Members), will initially be maintained and administered by the New SRO, with necessary modifications, with Members paying fees under the relevant fee structures and models. Both fee models are intended to be neutral and are based on cost recovery.

Access

The existing criteria for access to membership and the provision of regulation services will be preserved in the New SRO, as initially will the processes for obtaining such access. The New SRO will have reasonable written criteria that permit all persons or companies that satisfy the criteria to access the New SRO's regulatory services. The access criteria and the process for obtaining access will be fair and transparent. Any changes to the criteria or process for obtaining access will be developed and implemented in a fair and transparent manner and subject to Board approval as well as approval by the Recognizing Regulators.

Pursuant to the Amalgamation, current members of the MFDA or IIROC will be Members of the New SRO and no additional acceptance or approval requirements will be required.

Financial Viability

The New SRO will be a non-share capital, membership-based, not-for-profit corporation. As with IIROC and the MFDA (as well as many of the Recognizing Regulators), its financial model will be based on the collection of fees from Members in order to recover the costs incurred in its regulatory activities.

Upon completion of the Amalgamation, the New SRO will own all of the assets (and will assume all of the liabilities) of the MFDA and IIROC, including the balances in the MFDA Discretionary Fund and the IIROC Restricted Fund (which will be transferred to the New SRO Restricted Fund and used solely for prescribed purposes as described in the Recognition Order). The costs relating to the amalgamation of IIROC and the MFDA and start-up of the New SRO are being borne by IIROC and the MFDA. In accordance with the draft Recognition Order, the New SRO must operate on a cost recovery basis and seek authorization for any increase in fees for Dealer Members that are not registered as both investment dealers and mutual fund dealers related to the costs of creating the New SRO.

Capacity to Perform Regulation Functions

Recognition Order

The independence, mandate and obligations of the New SRO will be prescribed as terms and conditions of its Recognition Order and Delegation Rulings. As with IIROC and the MFDA, the New SRO must seek input from the Recognizing Regulators before finalizing its strategic and business plans, annual statements of priorities and budgets. The Recognizing Regulators will conduct an annual risk-based oversight review, which will enable the Recognizing Regulators to ensure that the New SRO acts in a manner consistent with the public interest in carrying out its mandate as a self-regulatory organization.

Regulation Services

The New SRO will seek to protect investors, foster investor confidence and enhance the fairness and efficiency of Canadian capital markets through the provision of effective self-regulation of Members, their representatives and other persons subject to the New SRO's jurisdiction. As a neutral, cost-effective and responsive self-regulatory organization, the New SRO will not unreasonably discriminate between Members. The New SRO will assume all of the regulatory responsibilities and perform, on a consolidated basis, all of the regulatory services currently being performed by IIROC and the MFDA.

Under the applicable National Instruments, orders granted under the National Instruments by certain securities commissions, and its regulation service agreements with Marketplace Members, IIROC applies the Universal Market Integrity Rules and Policies ("UMIR") to Marketplace Members and Dealer Members. Subscribers of a Marketplace Member alternative trading system ("ATS") that are not Dealer Members are subject to UMIR and the jurisdiction of IIROC, as IIROC's agreements with Marketplace Member ATs require this. Upon the Amalgamation, these Instruments, orders and regulation service agreements will apply to the New SRO by operation of law.

Transitional Jurisdiction

The New SRO will assume jurisdiction over the conduct of Dealer Members and over the trading conduct of all members, users and subscribers of Marketplace Members, including for investigations or enforcement actions in progress at the time the New SRO commences its regulatory activities.

Capacity and Integrity of Systems

The New SRO will perform its regulation functions using the information technology systems currently used by IIROC and the MFDA, including those systems currently provided to IIROC and the MFDA by various external service providers. Relevant existing service agreements between IIROC and the MFDA and their respective service providers will continue with New SRO.

The New SRO will continue to perform its market surveillance regulation function using the systems currently used by IIROC.

Capacity Planning and Management

The New SRO will ensure that information technology systems capacity planning is undertaken on a regular basis and system upgrades and storage are managed carefully. With respect to the market surveillance regulation functions, New SRO will continue the IIROC practice of regularly forecasting its expected data volumes.

Development and Testing Methodologies

The New SRO will use development and testing cycles that do not interfere with its operating systems. The New SRO will regularly review and update its development and testing methodologies, either internally or through its service providers.

System Vulnerability

The level of exposure to threats and system vulnerability for the New SRO will vary based on whether the system is critical or not. Sensitive regulatory data will be kept secure and confidential, within the organization and in relation to service providers. The New SRO will continue the SROs' practice and ensure that relevant services providers implement appropriate confidentiality and firewall provisions.

Contingency Planning, Disaster Recovery & Business Continuity Plans

IIROC and the MFDA have written contingency, business continuity and disaster recovery plans, which include specific criteria for all critical system applications. Upon the Amalgamation, the New SRO will continue to operate under these or new consolidated New SRO plans. As with IIROC, all New SRO market surveillance systems will have full redundancy with two live sites running in parallel and personnel backup in multiple offices of the New SRO.

Rules

Initially, it is the intention of the New SRO to adopt and administer interim rules which will incorporate the pre-amalgamation regulatory requirements contained in the rules and policies of IIROC and the by-laws, rules and policies of the MFDA (collectively, the "Interim Rules"). The Interim Rules will include: (i) the Investment Dealer and Partially Consolidated Rules, (ii) the UMIR and (iii) the Mutual Fund Dealer Rules.

The Interim Rules, which will be subject to public consideration and comment, will also include new Rule proposals to: (i) amend the current IIROC proficiency requirements to permit firms registered as both an investment dealer and a mutual fund dealer to

employ mutual funds only licensed individuals without having to upgrade their proficiencies to those required of a securities licensed individual and (ii) permit introducing/carrying broker arrangements between mutual fund dealers and investment dealers. The New SRO will review the Mutual Fund Dealer Rules, Investment Dealer and Partially Consolidated Rules and the UMIR in order to propose changes to harmonize rules, policies and related processes. A draft of the Interim Rules is attached hereto as Schedule 2.

Post-amalgamation proposals to replace or amend the Interim Rules would be submitted to the Recognizing Regulators for approval in accordance with the procedures established in the Memorandum of Understanding among Recognizing Regulators regarding oversight of New SRO, on terms and conditions reflective of the Position Paper, between the New SRO, as a self-regulatory organization and RSP, and the applicable Recognizing Regulators. The New SRO will, subject to the terms and conditions of the Recognition Order and the jurisdiction and oversight of the relevant Recognizing Regulators, establish rules, regulations or policies that promote the public interest, and are designed to:

- ensure compliance with applicable securities legislation,
- prevent fraudulent and manipulative acts and practices,
- promote just and equitable principles of trade and the duty of Dealer Members to act fairly, honestly and in good faith with their clients,
- promote Member education,
- foster cooperation and coordination with entities engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in, securities and derivatives,
- foster fair, equitable and ethical business standards and practices,
- promote access to advice in different geographic zones, including the servicing of clients in both urban and rural settings,
- allow Members to develop and make use of technological advancements to achieve greater efficiencies and productivity, while mitigating any risks to the investors and the public,
- promote the protection of investors,
- are scalable and proportionate to different types and sizes of Dealer Member firms and their respective business models, and
- provide for appropriate discipline of those whose conduct it regulates.

The Interim Rules, and any replacement of thereof, will not unreasonably discriminate among those subject to its regulation nor impose any unnecessary burden or constraint on competition or innovation. The Interim Rules and the administration thereof will not impose costs or restrictions on the activities of market participants that are disproportionate or contrary to the public interest.

Continuing Education

The pre-amalgamation MFDA and IIROC continuing education requirements will continue to apply to Dealer Members of the New SRO who are registered as mutual fund dealers and Dealer Members of the New SRO who are registered as investment dealers, respectively. The New SRO will work towards the development and implementation of a harmonized continuing education program for all Dealer Members that is fair, consistent and proportionate.

Dealer Members of the New SRO registered as mutual fund dealers will continue to be exempted from the New SRO's continuing education requirements for their activities in Québec, considering that the Chambre de la sécurité financière (CSF) is responsible for regulating the continuing education of mutual fund dealing representatives in Québec.

Financial Statements

The New SRO will provide to the Recognizing Regulators its financial statements and other financial reporting in accordance with the requirements of its Recognition Order, including audited annual financial statements.

Discipline Process

Section 1.3 Meaning of Independence

- (1) The term “Independent Director” means a Director who has no direct or indirect material relationship with the Corporation or a Member.
- (2) For the purposes of subsection (1), a “material relationship” is a relationship which could be reasonably expected to interfere with the exercise of a Director’s independent judgment.
- (3) Despite subsection (1), the following individuals are considered to have a material relationship with the Corporation or a Member:
 - (a) an individual who is, or has been within the last three years, an employee or executive officer of the Corporation;
 - (b) an individual whose immediate family member is, or has been within the last three years, an executive officer or non-independent director of the Corporation;
 - (c) an individual who, or whose immediate family member, is or has been within the last three years, an executive officer of an entity if any of the Corporation’s current executive officers serves or served at that same time on the entity’s compensation committee;
 - (d) an individual who received, or whose immediate family member who is employed as an executive officer of the Corporation received, more than \$75,000 in direct compensation from the Corporation during any 12 month period within the last three years;
 - (e) an individual who is, or has been within the last three years, a partner, director, officer, employee, or person acting in a similar capacity of:
 - (i) a Member,
 - (ii) an Associate of a Member, or
 - (iii) an affiliated entity of a Member, and
 - (f) an individual who is, or has been within the last three years, an Associate of a partner, director, officer, employee, or person acting in a similar capacity of a Member.

- (a) has previously acted as an interim chief executive officer of the Corporation, or
 - (b) acts, or has previously acted, as a chair or vice-chair of the Board or of any Board committee of the Corporation on a part-time basis.
- (6) If, despite the three-year cooling-off period described in sections 3(e) and (f), the nature or duration of an individual's relationship with a Member, its Associates, or its affiliated entities could be reasonably expected to interfere with the exercise of that individual's independent judgment, then a sufficiently longer cooling-off period from the Member, Associate, and affiliated entity is required for that individual to be considered an Independent Director.
- (7) Despite any determination made under sections (2) to (6), an individual is considered to have a material relationship with the Corporation if the individual:
- (a) accepts, directly or indirectly, any consulting, advisory or other compensatory fee from the Corporation or any subsidiary entity of the Corporation, other than as remuneration for acting in his or her capacity as a member of the Board or any Board committee, or as a part-time chair or vice-chair of the Board or any Board committee; or

- (9) For the purposes of section (7), compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Corporation if the compensation is not contingent in any way on continued service.

Where, for any reason that cannot reasonably be attributed to the Corporation or its staff, the application process (other than an application of an alternative trading system) has not been completed within six months from the date the application was accepted for review by the Corporation, the deposit shall be forfeited to the Corporation and the application shall be required to be resubmitted with a new nonrefundable application review deposit. For purposes of this Section, the application process shall be considered to be completed when Corporation staff recommends to the Board the approval or rejection thereof.

- (4) If in connection with the review or consideration of any application for membership, the Board is of the opinion that the nature of the applicant's business, its financial condition, the conduct of its business, the completeness of the application, the basis on which the application was made or any Corporation review in respect of the application in accordance with the By-laws and Rules of the Corporation has required, or can reasonably be expected to require, excessive attention, time and resources of the Corporation, the Board may require the applicant to reimburse the Corporation for some or all of its costs and expenses which are reasonably attributable to such excessive attention, time and resources or provide an undertaking or security in respect of such reimbursement. If an applicant is to be required to make such reimbursement of costs and expenses, the Corporation shall provide to the applicant a breakdown and explanation of such costs and expenses in sufficient detail to permit the applicant to understand the basis on which the costs and expenses were or are to be calculated.
- (5) The process for review and approval of the application for membership shall be determined by or under the authority of the Board, and the Corporation shall make a preliminary review of the same and either:
- (a) Where the application is incomplete, provide the applicant with a deficiency letter listing the items missing from or incomplete in the application, and, once Corporation staff have determined that the deficiencies have been addressed, perform a compliance review as referred to in Section 3.5(5)(b); or
 - (b) Where the application is complete, perform a compliance review and either:
 - (i) If such review discloses substantial compliance and willingness to comply with the requirements of the By-laws and Rules of the Corporation and approval of the application is considered to be in the public interest, forward a Corporation staff recommendation to approve the application to the Board for consideration along with the membership application; or
 - (ii) If such review discloses any substantial non-compliance or unwillingness to comply with the requirements of the By-laws and Rules of the Corporation, notify the applicant as to the nature of such non-compliance or unwillingness to comply and request that the application for membership be amended in accordance with the notification of the Corporation and refiled or be withdrawn. Once Corporation staff have determined that the necessary amendments have been made to the refiled application for membership, forward a Corporation staff recommendation to approve the application to the Board for consideration along with the membership application. If the applicant declines to amend or withdraw the application for membership, forward a Corporation staff recommendation to refuse the application to the Board for consideration along with the membership application and provide a copy of the recommendation to the applicant; or
 - (iii) If such review indicates that approval of the application is not in the public interest, notify the applicant as to the nature of the public interest concerns and request that the application for membership be withdrawn. If the applicant declines to withdraw the application for membership, forward a Corporation staff recommendation to refuse the application to the Board for consideration along with the membership application and provide a copy of the recommendation to the applicant.
- (6) The membership application approval process, as set out in the Corporation's By-laws and Rules established from time to time, shall commence once the Board receives:
- (a) The membership application from Corporation staff; and
 - (b) The Corporation staff recommendation to either approve or refuse the application pursuant to Section 3.5(5).

The applicant and Corporation staff shall have an opportunity to be heard in respect of any decision proposed to be made under this Section 3.5(7).
- (8) If the Board approves an application subject to terms and conditions as determined by or under the authority of the Board or refuses an application, the applicant shall be provided with a statement of the grounds upon which the Board has approved the application subject to terms and conditions or refused the application, and the particulars of those grounds.
- (9) The Board may as it considers appropriate vary or remove any such terms and conditions as may have been imposed on an applicant, if such terms and conditions are or are no longer, as the case may be, necessary to ensure that the Corporation's public interest mandate or the By-laws and Rules will be complied with by the applicant. In the event that the Board proposes to vary terms and conditions in a manner which would be more burdensome to the applicant, the provisions of Section 3.5(8) shall apply in the same manner as if the Board was exercising its powers thereunder in regard to the applicant.

The RRs have entered into this Protocol to establish uniform procedures for their review of and decision-making about Rule Changes proposed by [New SRO].

Any review of a new by-law, amendment to an existing by-law or revocation of an existing by-law proposed by [New SRO] will follow the process for review of and decision-making about Rule Changes set out in this Protocol, with the necessary adaptations.

 - (i) makes necessary changes of an editorial nature (such as correcting a textual mistake or inaccurate cross-reference, correcting a translation, making a formatting change, or standardization of terminology),
 - (ii) changes the routine internal processes, practices, or administration of [New SRO],
 - (iii) is necessary to conform to applicable securities legislation, statutory or legal requirements, accounting or auditing standards, or to other [New SRO] Rules or by-laws (including those that the RRs have approved or non-objected to, but which [New SRO] has not yet made effective), or
 - (iv) establishes or changes a due, fee or other charge imposed by [New SRO] under a Rule that the RRs have previously approved or non-objected to.
