#### **DECISION**

#### **Background**

The securities regulatory authority or regulator in each of the Jurisdictions (the "Decision Makers") has received an application from the Filer on behalf of the Alternative Funds for a decision under the securities legislation of the Jurisdictions (the "Legislation") for an exemption pursuant to Section 6.1 of *Regulation 81-101 respecting Mutual Fund Prospectus Disclosure*, CQLR, c. V-1.1, r. 38 ("Regulation 81-101"), that grants relief to the Alternative Funds from the requirement in subsection 5.1(4) of Regulation 81-101, which states that a simplified prospectus for an alternative mutual fund must not be consolidated with a simplified prospectus of another mutual fund if the other mutual fund is not an alternative mutual fund, so that the simplified prospectus of one or more Alternative Funds can be consolidated with the simplified prospectus of one or more mutual funds existing today or created in the

future (i) that are reporting issuers to which Regulation 81-101 and *Regulation 81-102 respecting Investment Funds*, CQLR, c. V-1.1, r. 39 ("Regulation 81-102") apply, (ii) that are not alternative mutual funds, and (iii) for which the Filer, or an affiliate of the Filer, acts or will act as the investment fund manager (the "Conventional Funds" and, collectively with the Alternative Funds, the "Funds") (the "Exemption Sought").

Under the process for exemptive relief applications in multiple jurisdictions (for a dual application):

- (a) the Autorité des marchés financiers is the principal regulator for this application;
- (b) the Filer has provided notice that subsection 4.7(1) of *Regulation 11-102 respecting Passport System, CQLR*, c. V-1.1, r. 1 ("Regulation 11-102") is intended to be relied upon in each of the provinces of Canada except the territories (together with Québec and Ontario, the "Canadian Jurisdictions"); and
- (c) the decision is the decision of the principal regulator and evidences the decision of the securities regulatory authority or regulator in Ontario.

#### Interpretation

Terms defined in Regulation 81-101, Regulation 81-102, Regulation 14-101 respecting Definitions, CQLR, c. V-1.1, r. 3 and Regulation 11-102 have the same meaning if used in this decision, unless otherwise defined.

#### Representations

This decision is based on the following facts represented by the Filer:

#### The Filer

- 1. The Filer is a corporation established under the laws of Québec, and the head office of the Filer is in Quebec City, Québec.
- The Filer is doing business under the name RGP Investments.
- 3. The Filer is, or will be, the investment fund manager of each of the Funds.
- 4. The Filer is registered as an investment fund manager in Québec, Ontario and Newfoundland and Labrador, and as a portfolio manager in Québec and Ontario.
- 5. The Filer is not in default of the securities legislation in any of the Canadian Jurisdictions.

#### The Funds

- 6. Each Alternative Fund is, or will be, established under the laws applicable in any Canadian Jurisdictions, as a mutual fund that is a trust or a class of shares of a mutual fund corporation and is or will be a reporting issuer in one or more of the Canadian Jurisdictions.
- 7. Each Conventional Fund is not, or will not be, an alternative mutual fund.
- 8. The Existing Alternative Fund is not in default of the securities legislation in any of the Canadian Jurisdictions.
- 9. The securities of each Fund are, or will be, qualified for distribution in one or more of the Canadian Jurisdictions using a simplified prospectus, and a fund fact prepared and filed in accordance with the securities legislation of such Canadian Jurisdictions.
- 10. The Filer wishes to combine the simplified prospectus of one or more Alternative Funds with the simplified prospectus of one or more Conventional Funds to reduce renewal, printing and other related costs. Offering the Alternative Funds using the same simplified prospectus as the Conventional Funds would facilitate the distribution of the Alternative Funds in the Canadian Jurisdictions under the same prospectus disclosure and enable the Filer to streamline disclosure across the Filer's fund platform.
- 11. Even though the Alternative Funds are, or will be, alternative mutual funds, they share, or will share, many common operational and administrative features with the Conventional Funds and combining them in the same simplified prospectus will allow investors to compare the features of the Alternative Funds and the Conventional Funds more easily.
- 12. The Filer may make changes to the features of the Funds as part of the renewal process of the simplified prospectus for the Conventional Funds. The ability to file the simplified prospectus of the Alternative Funds with the simplified prospectus of the Conventional Funds will allow the Filer to standardize the operational and administrative features of the Alternative Funds with those of the Conventional Funds, as appropriate.

- 13. Investors will continue to receive the fund facts when purchasing securities of the Alternative Funds or Conventional Funds as required by applicable securities legislation. The form and content of the fund facts of the Alternative Funds and Conventional Funds will not change as a result of the Exemption Sought. Investors will continue to receive, upon request, the simplified prospectus of the Alternative Funds and the Conventional Funds, as required by applicable securities legislation.
- 14. The Filer believes that the Exemption Sought is not prejudicial to the public interest and is in the best interests of the Alternative Funds and their securityholders.
- 15. Regulation 41-101 respecting General Prospectus Requirements, CQLR, c. V-1.1, r. 14 ("Regulation 41-101") does not contain a provision equivalent to subsection 5.1(4) of Regulation 81-101. Accordingly, an investment fund manager that manages exchange-traded funds (ETFs) is permitted to consolidate a prospectus under Regulation 41-101 for its ETFs that are alternative mutual funds with a prospectus for its ETFs that are conventional mutual funds. The Filer submits that there is no reason why mutual funds filing a prospectus under Regulation 81-101 should be treated differently from ETFs filing a prospectus under Regulation 41-101.

#### **Decision**

Each of the Decision Makers is satisfied that the decision meets the test set out in the Legislation for the Decision Makers to make the decision.

The decision of the Decision Makers under the Legislation is that the Exemption Sought is granted.

#### **DECISION**

#### **Background**

The securities regulatory authority or regulator in each of the Jurisdictions (each a **Decision Maker**) has received an application from the Filer on behalf of existing mutual funds and future mutual funds of which the Filer or an affiliate of the Filer is, or in the future will be, the investment fund manager and to which National Instrument 81-102 *Investment Funds* (**NI 81-102**) applies (each a **Fund** and collectively, the **Funds**) for a decision under the securities legislation of the Jurisdictions (the **Legislation**) granting an exemption from the requirements set out in paragraphs 15.3(4)(c) and 15.3(4)(f) of NI 81-102, which provide that a sales communication must not refer to a performance rating or ranking of a mutual fund or asset allocation service unless

- (a) the rating or ranking is provided for each period for which standard performance data is required to be given, except the period since the inception of the mutual fund, and
- (b) the rating or ranking is to the same calendar month-end that is
  - (i) not more than 45 days before the date of the appearance or use of the advertisement in which it is included, and
  - (ii) not more than three months before the date of first publication of any other sales communication in which it is included.

(together, the **Exemption Sought**), to permit the FundGrade A+ Awards and the FundGrade Ratings to be referenced in sales communications relating to the Funds.

Under the Process for Exemptive Relief Applications in Multiple Jurisdictions (for a dual application),

(a) the Alberta Securities Commission is the principal regulator for this application;

- (b) the Filer has provided notice that subsection 4.7(1) of Multilateral Instrument 11-102 *Passport System* (MI 11-102) is intended to be relied upon in British Columbia, Saskatchewan, Manitoba, New Brunswick, Prince Edward Island, Nova Scotia, Newfoundland and Labrador, Yukon, Northwest Territories and Nunavut (together with Alberta and Ontario, the Offering Jurisdictions); and
- (c) this decision is the decision of the principal regulator and evidences the decision of the securities regulatory authority or regulator in Ontario.

#### Interpretation

Terms defined in National Instrument 14-101 *Definitions*, MI 11-102, and NI 81-102 have the same meaning if used in this decision, unless otherwise defined.

#### Representations

This decision is based on the following facts represented by the Filer:

#### The Filer and the Funds

- The Filer is a corporation incorporated under the laws of the Province of Alberta with its head office located in Edmonton, Alberta.
- 2. The Filer is registered as a portfolio manager in each of Alberta, British Columbia, Nova Scotia, Ontario and Saskatchewan and as an investment fund manager in each of Alberta, Newfoundland and Labrador, Nova Scotia, Ontario and Saskatchewan.
- 3. Either the Filer or an affiliate of the Filer is, or will be, the manager of the Funds.
- 4. The securities of each of the Funds are, or will be, qualified for distribution to investors pursuant to one or more prospectuses or simplified prospectuses, as the same may be amended or renewed from time to time.
- 5. Each of the Funds is, or will be, a reporting issuer in one or more of the Offering Jurisdictions. Each of the Funds is, or will be, subject to NI 81-102, including Part 15 of NI 81-102, which governs sales communications.
- 6. Neither the Filer nor any of the Funds are in default of securities legislation in any of the Offering Jurisdictions.

#### FundGrade Ratings and FundGrade A+ Awards

- 7. The Filer wishes to include in sales communications of the Funds references to the FundGrade Ratings and references to the FundGrade A+ Awards (each as defined below) where such Funds have been awarded a FundGradeA+ Award.
- 8. Fundata Canada Inc. (**Fundata**) is a "mutual fund rating entity" as that term is defined in NI 81-102 and is not a member of the organization of the Funds. Fundata is a leader in supplying mutual fund information, analytical tools, and commentary. Fundata's fund data and analysis, fund awards designations and ratings information provide valuable insight to advisors, media and individual investors.
- 9. One of Fundata's programs is the FundGrade A+ Awards program. This program highlights funds that have excelled in delivering consistently strong risk-adjusted performance relative to their peers. The FundGrade A+ Awards designate award-winning funds in most individual fund classifications for the previous calendar year, and the awards are announced in January of each year. The categories for fund classification used by Fundata are those maintained by the Canadian Investment Funds Standards Committee (CIFSC) (or a successor to CIFSC), a Canadian organization that is independent of Fundata.
- 10. The FundGrade A+ Awards are based on a proprietary rating methodology developed by Fundata, the FundGrade Rating system. The FundGrade Rating system evaluates funds based on their risk adjusted performance, measured by three well-known and widely-used metrics: the Sharpe Ratio, the Information Ratio, and the Sortino Ratio. The ratios are calculated for the two through 10 year time periods for each fund. When there is more than one eligible series of a fund, an average ratio is taken for each period. The ratios are ranked across all time periods and an overall score is calculated by equally weighting the yearly rankings.
- 11. The FundGrade Ratings are letter grades for each fund and are determined for each month. The FundGrade Ratings for each month are released on the seventh business day of the following month. The top 10% of funds earn an A Grade; the next 20% of funds earn a B Grade; the next 40% of funds earn a C Grade; the next 20% of funds receive a D Grade;

- and the lowest 10% of funds receive an E Grade. Because the overall score of a fund is calculated by equally weighting the periodic rankings, to receive an A Grade, a fund must show consistently high scores for all ratios across all time periods.
- 12. Fundata calculates a grade using only the retail series of each fund. Institutional series or fee-based series of any fund are not included in the calculation. A fund must have at least two years of history to be included in the calculation. Once a letter grade is calculated for a fund, it is then applied to all related series of that fund.
- 13. At the end of each calendar year, Fundata calculates a fund "GPA" for each fund based on the full year's performance. The fund GPA is calculated by converting each month's FundGrade Rating letter grade into a numerical score. Each A is assigned a grade of 4.0; each B is assigned a grade of 3.0; each C is assigned a grade of 2.0; each D is assigned a grade of 1.0; and each E is assigned a grade of 0. The total of the grades for each fund is divided by 12 to arrive at the fund's GPA for the year. Any fund earning a GPA of 3.5 or greater earns a FundGrade A+ Award.
- 14. When a fund is awarded a FundGrade A+ Award, Fundata will permit such fund to make reference to the award in its sales communications.

#### Sales Communication Disclosure

- 15. The FundGrade Ratings fall within the definition of "performance data" under NI 81-102 as they constitute "a rating, ranking, quotation, discussion or analysis regarding an aspect of the investment performance of an investment fund", given that the FundGrade Ratings are based on performance measures calculated by Fundata. The FundGrade A+ Awards may be considered to be "overall ratings or rankings" given that the awards are based on the FundGrade Ratings as described above. Therefore, references to FundGrade Ratings and FundGrade A+ Awards in sales communications relating to the Funds need to meet the applicable requirements in Part 15 of NI 81-102.
- 16. Paragraph 15.3(4)(c) of NI 81-102 imposes a "matching" requirement for performance ratings or rankings that are included in sales communications for a mutual fund. If a performance rating or ranking is referred to in a sales communication, it must be provided for, or "match", each period for which standard performance data is required to be given for the fund, except for the period since the inception of the fund (i.e. for one, three, five and 10 year periods, as applicable).
- 17. While FundGrade Ratings are based on calculations for a minimum of two years through to a maximum of 10 years and the FundGrade A+ Awards are based on a yearly average of monthly FundGrade Ratings, specific ratings for the three, five and 10 year periods within the two to 10 year measurement period are not given. This means that a sales communication referencing FundGrade Ratings cannot comply with the "matching" requirement contained in paragraph 15.3(4)(c) of NI 81-102. Relief from paragraph 15.3(4)(c) of NI 81-102 is, therefore, required in order for a Fund to use FundGrade Ratings in sales communications.
- 18. The exemption in subsection 15.3(4.1) of NI 81-102 for references to overall ratings or rankings of funds cannot be relied upon to reference the FundGrade A+ Awards in sales communications for the Funds because it is available only if a sales communication "otherwise complies" with the requirements of subsection 15.3(4) of NI 81-102. As noted above, sales communications referencing the FundGrade A+ Awards cannot comply with the "matching" requirement in subsection 15.3(4) of NI 81-102 because the underlying FundGrade Ratings are not available for the three, five and 10 year periods within the two to 10 year measurement period for the FundGrade Ratings, rendering the exemption in subsection 15.3(4.1) of NI 81-102 unavailable. Relief from paragraph 15.3(4)(c) of NI 81-102 is, therefore, also required in order for the Funds to reference the FundGrade A+ Awards in sales communications.
- 19. Paragraph 15.3(4)(f) of NI 81-102 imposes certain restrictions on disclosure in sales communications. This paragraph provides that in order for a rating or ranking such as a FundGrade A+ Award to be used in an advertisement, the advertisement must be published within 45 days of the calendar month-end to which the rating or ranking applies. Further, in order for the rating or ranking to be used in any other sales communication, the rating or ranking must be published within three months of the calendar month-end to which the rating or ranking applies.
- 20. Because the evaluation of funds for the FundGrade A+ Awards will be based on data aggregated until the end of December in any given year and the results will be published in January of the following year, by the time a fund receives a FundGrade A+ Award in January, paragraph 15.3(4)(f) of NI 81-102 will only allow the FundGrade A+ Award to be used in an advertisement until the middle of February and in other sales communications until the end of March.
- 21. The Exemption Sought is required in order for the FundGrade Ratings and the FundGrade A+ Awards to be referenced in sales communications relating to the Funds.

22. The Filer submits that the FundGrade A+ Awards and the FundGrade Ratings provide important tools for investors, as they provide investors with context when evaluating investment choices. These awards and ratings provide an objective, transparent and quantitative measure of performance that is based on the expertise of Fundata in fund analysis that alleviates any concern that references to them may be misleading and, therefore, contrary to paragraph 15.2(1)(a) of NI 81-102.

#### **Decision**

Each of the Decision Makers is satisfied that the decision meets the test set out in the Legislation for the Decision Maker to make the decision.

The decision of the Decision Makers under the Legislation is that the Exemption Sought is granted, provided that:

- (a) the sales communication that refers to the FundGrade A+ Awards and the FundGrade Ratings complies with Part 15 of NI 81-102, other than as set out herein, and contains the following disclosure in at least 10 point type:
  - (i) the name of the category for which the Fund has received the award or rating;
  - (ii) the number of mutual funds in the category for the applicable period;
  - (iii) the name of the ranking entity, i.e., Fundata;
  - (iv) the length of period and the ending date, or, the first day of the period and the ending date on which the FundGrade A+ Award or the FundGrade Rating is based;
  - (v) a statement that FundGrade Ratings are subject to change every month;
  - (vi) in the case of a FundGrade A+ Award, a brief overview of the FundGrade A+ Award;
  - (vii) in the case of a FundGrade Rating (other than FundGrade Ratings referenced in connection with a FundGrade A+ Award), a brief overview of the FundGrade Rating;
  - (viii) disclosure of the meaning of the FundGrade Ratings from A to E (e.g., rating of A indicates a fund is in the top 10% of its category); and
  - (ix) reference to Fundata's website for greater detail on the FundGrade A+ Awards and the FundGrade Ratings;
- (b) the FundGrade A+ Award being referenced must not have been awarded more than 365 days before the date of the sales communication; and
- (c) the FundGrade A+ Awards and FundGrade Ratings being referenced are calculated based on comparisons of performance of investment funds within a specified category established by the CIFSC (or a successor to the CIFSC).

#### **DECISION**

#### **Background**

The securities regulatory authority or regulator in each of the Jurisdictions (**Decision Maker**) has received an application from the Filers for a decision under the securities legislation of the Jurisdictions (the **Legislation**) exempting the Buyer from the requirements of Part 2 of National Instrument 62-104 *Take-Over Bids and Issuer Bids* (**NI 62-104**) applicable to take-over bids (the **Take-Over Bid Requirements**) in connection with its offer to acquire all of the issued and outstanding class A common shares of the Target (the **Shares**, and such exemption, the **Exemption Sought**).

Under the Process for Exemptive Relief Applications in Multiple Jurisdictions (for a dual application):

- (a) the Financial and Consumer Affairs Authority of Saskatchewan is the principal regulator for this application;
- (b) the Filers have provided notice that section 4.7(1) of Multilateral Instrument 11-102 *Passport System* (**MI 11-102**) is intended to be relied upon in Alberta;
- (c) the decision is the decision of the principal regulator and evidences the decision of the securities regulatory authority or regulator in Ontario.

#### Interpretation

Terms defined in National Instrument 14-101 *Definitions*, MI 11-102 or NI 62-104 have the same meanings if used in this decision, unless otherwise defined.

#### Representations

The decision is based on the following facts represented by the Filers:

- 1. The Target is a corporation existing and in good standing under the *Business Corporations Act* (Alberta), with its principal and head office located in Emerald Park, Saskatchewan. The Target is not a reporting issuer in any jurisdiction of Canada and there is no published market in respect of any of its securities.
- 2. The Target is not in default of securities legislation in any jurisdiction of Canada.
- 3. As of February 3, 2023, the only outstanding securities of the Target are: (i) 37,942,000 Shares; (ii) debentures (the **Debentures**) convertible into an aggregate of 1,428,571 Shares; (iii) stock options (the **Options**) to acquire an aggregate of 2,313,500 Shares; and (iv) warrants (the **Warrants**) to acquire an aggregate of 800,000 Shares.
- 4. The Buyer is a lithium resource developer incorporated, existing and in good standing under the laws of Australia, with its principal and head office located in West Perth, Western Australia. The Buyer is not a reporting issuer in any jurisdiction of Canada. The Buyer's ordinary shares (the **Buyer Shares**) are listed on the Australian Securities Exchange and the OTCQB Venture Market.
- 5. The Buyer is not in default of securities legislation in any jurisdiction. Information about the Buyer is available in the public domain.
- 6. On December 18, 2022, the Buyer, 2477827 Alberta Corporation, 2477955 Alberta Corporation (**CanCo**), and the Target entered into a pre-acquisition agreement providing for the making of an offer by the Buyer to acquire all of the issued and outstanding Shares (the **Bid**).
- 7. The Bid will be made for all Shares, including Shares which may become outstanding pursuant to the exercise or conversion of any Debentures, Options and Warrants in accordance with their respective terms.
- 8. Aggregate consideration of \$70,600,000 is payable under the Bid, consisting of: (a) an aggregate of \$40,000,000 payable in cash (the **Cash Consideration**), subject to adjustment; and (b) an aggregate of 500,000,000 shares, consisting of (i) Buyer Shares or (ii) exchangeable shares in the capital of CanCo (the **Exchangeable Shares**) and the
  - voting rights attached to a corresponding number of Special Voting Shares (which entitle the holders thereof to voting rights equivalent to those of Buyer Shares), with the issuance of Buyer Shares or Exchangeable Shares being at the election of each holder of Shares (the **Shareholders**). Exchangeable Shares will be issued at the same ratio as Buyer Shares.
- 9. The Bid will constitute a "take-over bid" as that term is defined in NI 62-104.
- 10. Pursuant to section 4.3 of NI 62-104 (the **NRI Exemption**) a take-over bid is exempt from the Take-Over Bid Requirements if all of the following conditions are satisfied:
  - (a) the offeree issuer is not a reporting issuer;
  - (b) there is no published market for the securities that are the subject of the bid;
  - (c) the number of security holders of that class of securities at the commencement of the bid is not more than 50, exclusive of holders who:
    - (i) are in the employment of the offeree issuer or an affiliate of the offeree issuer, or
    - (ii) were formerly in the employment of the offeree issuer or in the employment of an entity that was an affiliate of the offeree issuer at the time of that employment, and who while in that employment were, and have continued after that employment to be, security holders of the offeree issuer.
- 11. The Buyer cannot rely on the NRI Exemption with respect to the Bid because the number of Shareholders, exclusive of holders who satisfy the requirements of clauses 4.3(c)(i) or (ii) of NI 62-104 (the **Qualifying Persons**), is greater than 50.
- 12. According to the Target's register of Shareholders, as at December 18, 2022, it had 99 registered Shareholders, of whom:
  - (a) 63 reside in Saskatchewan, holding 30,156,000 Shares or 79.20% of the issued and outstanding Shares;
  - (b) 27 reside in Alberta, holding 3,111,000 Shares or 8.47% of the issued and outstanding Shares;

- (c) 4 reside in Ontario, holding 3,175,000 Shares or 8.37% of the issued and outstanding Shares;
- (d) 3 reside in British Columbia, holding 200,000 Shares or 0.05% of the issued and outstanding Shares;
- (e) 1 resides in Manitoba, holding 50,000 Shares or 0.01% of the issued and outstanding Shares; and
- (f) 1 resides in Connecticut, USA, holding 1,250,000 Shares or 3.29% of the issued and outstanding Shares.
- 13. Based on the information supplied by and on behalf of management of the Target, as at December 18, 2022, there were 89 beneficial Shareholders (accounting for the fact that 10 Shareholders of record are holding companies wholly-owned by Qualifying Persons), of whom:
  - (a) 61 reside in Saskatchewan, holding 30,156,000 Shares or 68.65% of the issued and outstanding Shares;
  - (b) 20 reside in Alberta, holding 3,111,000 Shares or 8.28% of the issued and outstanding Shares;
  - (c) 3 reside in Ontario, holding 3,175,000 Shares or 8.37% of the issued and outstanding Shares;
  - (d) 3 reside in British Columbia, holding 200,000 Shares or 0.05% of the issued and outstanding Shares;
  - (e) 1 resides in Manitoba, holding 50,000 Shares or 0.01% of the issued and outstanding Shares; and
  - (f) 1 resides in Connecticut, USA, holding 1,250,000 Shares or 3.29% of the issued and outstanding Shares.
- Except in Saskatchewan, Alberta and Ontario, the Buyer is relying on the exemption from the Take-Over Bid Requirements set out in section 4.5 of NI 62-104.
- 15. Based on the information supplied by and on behalf of management of the Target, of the 89 beneficial Shareholders:
  - (a) 15 Shareholders are current and/or former employees (including officers) of the Target;
  - (b) 6 Shareholders are current or former independent directors of the Target;
  - (c) 7 Shareholders, while not classified as employees or former employees, currently provide or have provided exclusive and full-time services to the Target as independent contractors; and
  - (d) 7 Shareholders are spouses of Qualifying Persons, and all Shares held by such spouses are under the control or direction of such Qualifying Person.
- Accordingly, the Target has 54 beneficial Shareholders, excluding current and/or former employees (including officers), current and/or former independent directors, current and/or former contractors who have provided exclusive and full-time services to the Target, and spouses whose Shares are under the control or direction of a Qualifying Person.
- 17. Although the Target is not a "private issuer" as defined in National Instrument 45-106 *Prospectus Exemptions* (**NI 45-106**), all of the Shareholders are persons to whom a private issuer is permitted to distribute securities under the private issuer exemption in section 2.4 of NI 45-106.
- 18. Each director and officer of the Target and certain other securityholders of the Target who collectively hold, in the aggregate, greater than 60% of the issued and outstanding Shares, has entered into a pre-tender agreement with the Buyer in support of the Bid.
- 19. The Bid is not an "insider bid" within the meaning of Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions.*

(the Jurisdictions)

**AND** 

IN THE MATTER OF
THE PROCESS FOR EXEMPTIVE RELIEF APPLICATIONS
IN MULTIPLE JURISDICTIONS

AND

IN THE MATTER OF NOVA SCOTIA POWER INCORPORATED (the Filer)

#### **DECISION**

#### **Background**

The securities regulatory authority or regulator in each of the Jurisdictions (the Decision Maker) has received an application from the Filer under the securities legislation (the Legislation) of the Jurisdictions, in respect of certain negotiable promissory notes or commercial paper maturing not more than one year from the date of issue (Notes), that distributions of Notes issued by the Filer and offered for sale in Canada are exempt from the prospectus requirement under the Legislation (the Exemption Sought).

Under the Process for Exemptive Relief Applications in Multiple Jurisdictions (for a dual application):

- (a) the Nova Scotia Securities Commission is the principal regulator for this application;
- (b) the Filer has provided notice that section 4.7(1) of Multilateral Instrument 11-102 *Passport System* (MI 11-102) is intended to be relied upon in British Columbia, Alberta, Saskatchewan, Manitoba, Quebec, New Brunswick, Prince Edward Island and Newfoundland and Labrador (the Passport Jurisdictions); and
- (c) the decision is the decision of the principal regulator and evidences the decision of the securities regulatory authority or regulator in Ontario.

#### Interpretation

In this decision, unless otherwise defined herein, terms defined in National Instrument 14-101 Definitions or MI 11-102 have the same meaning.

#### Representations

This decision is based on the following facts represented by the Filer:

- 1. Nova Scotia Power Incorporated (NSPI) is incorporated under the *Companies Act* (Nova Scotia). The head office of NSPI is located at 1223 Lower Water Street, Halifax, Nova Scotia, B3J 3S8.
- 2. The Filer is a reporting issuer or equivalent in the Jurisdictions and each Passport Jurisdiction and is not in default of securities legislation in any such jurisdiction.
- 3. The Filer has implemented a commercial paper program that involves the sale, from time to time, of Notes issued by the Filer to purchasers located in Canada.
- 4. The offering and sale of Notes issued by the Filer are subject to the prospectus requirement under the Legislation.
- 5. Sections 2.35(I)(b) and (c) of National Instrument 45-106 *Prospectus Exemptions* (NI 45106) provides that an exemption from the prospectus requirement of the Legislation for short-term debt (the CP Exemption) is only available where such short-term debt: (a) "has a credit rating from a designated rating organization ... that is at or above" certain prescribed short-term ratings, and (b) "has no credit rating from a designated rating organization ... that is below" certain prescribed short-term ratings.
- 6. Prior to November 21, 2022 the Notes had a designated rating of "A-1 (Low)" from S&P Global Ratings (S&P) and "R-1 (low)" from DBRS Limited (DBRS), which satisfied the rating categories prescribed in the CP Exemption under sections 2.35(1)(b) and (c) of NI 45-106.
- 7. Accordingly, prior to November 21, 2022, the Notes were offered and sold in Canada pursuant to, and in accordance with, the CP Exemption.
- 8. On November 21, 2022, S&P downgraded the Notes to "A-3 (Cdn)" (the S&P Downgrade). On December 20, 2022, DBRS downgraded the Notes to R-2 (high), with a stable trend (the DBRS Downgrade and, together with the S&P Downgrade, the Downgrades). The Downgrades are lower ratings than those required by the CP Exemption. The Downgrades were in response to the amendment (Bill 212) made by the province of Nova Scotia to the Public Utilities Act that will override the process of the Nova Scotia Utility and Review Board and limit the increase in the Filer's non-fuel rate to 1.8% until the end of 2024.
- 9. As a result of the Downgrades, the Filer is no longer able to rely on the CP Exemption for the distribution of Notes. Following the S&P Downgrade, the Filer ceased distribution of Notes under its commercial paper program.
- 10. All Notes will have a maturity not exceeding 365 days from the date of issuance, and will be sold in denominations of not less than \$250,000.
- 11. The Notes will be offered and sold in Canada only:
  - through investment dealers registered, or exempt from the requirement to register, under applicable securities legislation in Canada (**Canadian Dealers**); and
  - (b) to persons or companies (**Canadian Qualified Purchasers**) that are "accredited investors" as defined in NI 45-106, other than those that are any of the following:
    - (i) an individual referred to in any of paragraphs (j), (j.1), (k) and (1) of that definition;
    - (ii) a person or company referred to in paragraph (t) of that definition in respect of which any owner of an interest, direct, indirect or beneficial, except the voting securities required by law to be owned by directors, is an individual referred to in any of paragraphs (j), (j, l), (k) and (1); and
    - (iii) a trust referred to in paragraph (w) of that definition.
- 12. The Filer will require each Canadian Dealer to apply procedures to ensure that sales of Notes by such Canadian Dealer, as well as any subsequent resales of previously issued Notes by such Canadian Dealer, are made only to Canadian Qualified Purchasers in accordance with paragraph 11 of this decision.

#### Decision

Each of the Decision Makers is satisfied that the decision satisfies the test set out in the Legislation for the Decision Maker to make the decision.

- 1. The decision of the Decision Makers is that the Exemption Sought is granted in respect of the distribution of Notes, provided that:
  - (a) each Note:
    - (i) is not convertible or exchangeable into, or accompanied by a right to purchase, another security other than a Note;
    - (ii) is not a "securitized product", as defined in NI 45-106;
    - (iii) is of a class of Notes that has a rating issued by a "designated rating organization" or a "DRO affiliate", both as defined in NI 45-106, at or above one of the following rating categories:

Designated Rating Organization	Rating		
DBRS Limited	R-2 (high)		
Fitch Ratings, Inc.	FI		
Moody's Canada Inc.	P-1		
S&P Global Ratings Canada	A-3 (Cdn) (Canada national scale)		

and has no rating below:

Designated Rating Organization	Rating		
DBRS Limited	R-2 (high)		
Fitch Ratings, Inc.	F2		
Moody's Canada Inc.	P-2		
S&P Global Ratings Canada	A-3 (Cdn) (Canada national scale)		

- (b) each distribution of Notes is made:
  - (i) to a purchaser that is purchasing as a principal and is a Canadian Qualified Purchaser; and
  - (ii) through a Canadian Dealer;
- (c) each Canadian Dealer has agreed to apply the procedures referred to in paragraph 12 of this decision;
- (d) for each jurisdiction of Canada, the Exemption Sought will terminate on February 9, 2028.

IN THE MATTER OF
THE PROCESS FOR EXEMPTIVE RELIEF APPLICATIONS

IN THE MATTER OF TRISUMMIT UTILITIES INC. (the Filer)

#### **DECISION**

#### **Background**

The securities regulatory authority or regulator in each of the Jurisdictions (each a **Decision Maker**) has received an application from the Filer for a decision under the securities legislation of the Jurisdictions (the **Legislation**) exempting the Filer from the restriction of the qualification criteria set forth in each of Section 2.3 of National Instrument 44-101 Short Form Prospectus Distributions (**NI 44-101**) and Section 2.3 of National Instrument 44-102 Shelf Distributions (**NI 44-102**) to distributions of non-convertible securities (the **Exemption Sought**).

Under the Process for Exemptive Relief Applications in Multiple Jurisdictions (for a dual application):

- (a) the Alberta Securities Commission is the principal regulator for this application;
- (b) the Filer has provided notice that subsection 4.7(1) of Multilateral Instrument 11-102 Passport System (MI 11-102) is intended to be relied upon in British Columbia, Saskatchewan, Manitoba, Québec, New Brunswick, Prince Edward Island, Nova Scotia, Newfoundland and Labrador, Yukon, Northwest Territories and Nunavut; and
- (c) this decision is the decision of the principal regulator and evidences the decision of the securities regulatory authority or regulator in Ontario.

#### Interpretation

Terms defined in National Instrument 14-101 *Definitions*, MI 11-102 and NI 44-101 have the same meanings if used in this decision, unless otherwise defined.

#### Representations

The decision is based on the following facts represented by the Filer:

- 1. The Filer is a corporation organized under the Canada Business Corporations Act (the CBCA).
- 2. The head and registered office of the Filer is located in Calgary, Alberta.
- 3. The Filer's authorized share capital consists of an unlimited number of common shares (the Common Shares) and such number of preferred shares issuable in series at any time as have aggregate voting rights either directly or on conversion or exchange that in the aggregate represent less than 50 percent of the voting rights attaching to the then issued and outstanding Common Shares (the Preferred Shares).
- 4. As of February 9, 2023, there were 30,000,000 Common Shares and no Preferred Shares issued and outstanding.
- 5. Pursuant to five distributions, an aggregate of \$950 million aggregate principal amount of medium-term notes (the **Notes**) were issued under the Filer's public medium-term note programs, and remain outstanding.
- 6. The Filer is a reporting issuer and a venture issuer in each of the provinces and territories of Canada (the **Reporting Jurisdictions**). The Filer has no equity securities listed and posted for trading on a short form eligible exchange.
- 7. On January 4, 2023, the Filer filed and obtained a receipt from the securities regulatory authority or regulator in each of the Reporting Jurisdictions for a short form base shelf prospectus (the **Base Shelf Prospectus**) providing for the distribution from time to time of Preferred Shares and debt securities of the Filer.
- 8. The Filer was qualified to file the Base Shelf Prospectus based on the alternative qualification criteria in Section 2.3 of NI 44-101. The Filer does not satisfy the qualification criteria of Section 2.2 of NI 44-101 and Section 2.2 of NI 44-102 because the Filer has no equity securities listed and posted for trading on a short form eligible exchange.
- 9. On November 15, 2022, DBRS Limited affirmed the Filer's corporate rating and Notes rating of BBB (high) with a Stable trend. Accordingly, the Filer and the Notes have a designated rating.
- 10. The Filer proposes to issue convertible securities (the **Proposed Convertible Securities**) under the Base Shelf Prospectus that would be convertible into other securities of the Filer (the **Proposed Underlying Securities**).
- 11. Absent the Exemption Sought, the Filer is not permitted to distribute the Proposed Convertible Securities pursuant to the Base Shelf Prospectus because the alternative qualification criteria in Section 2.3 of NI 44-101 do not permit the distribution of convertible securities.
- 12. The Proposed Convertible Securities will have a designated rating on a provisional basis and the Filer will satisfy the other ratings requirements as set out in Section 2.3(e) of NI 44-101 and Section 2.3 of NI 44-102 (the **Designated Ratings Requirements**). The Proposed Underlying Securities, if issued directly (rather than upon conversion), would also satisfy the Designated Ratings Requirements.
- 13. The Filer is not in default of any requirements under the securities legislation of any Reporting Jurisdiction.
- 14. The Filer is not in default of any of the periodic and timely disclosure requirements under National Instrument 51-102 Continuous Disclosure Obligations.

#### **Decision**

Each of the Decision Makers is satisfied that the decision meets the test set out in the Legislation for the Decision Maker to make the decision.

The decision of the Decision Makers under the Legislation is that the Exemption Sought is granted provided that at the time of distribution of the Proposed Convertible Securities:

- (a) the Proposed Convertible Securities to be distributed:
  - (i) have received a designated rating on a provisional basis;
  - (ii) are not the subject of an announcement by a designated rating organization or its DRO affiliate, of which the Filer is or ought reasonably to be aware, that the designated rating given by the organization may be down-graded to a rating category that would not be a designated rating; and

- (iii) have not received a provisional or final rating lower than a designated rating from any designated rating organization or its DRO affiliate; and
- (b) the Filer has reasonable grounds for believing that the Proposed Underlying Securities, if distributed at the time of distribution of the related Proposed Convertible Securities, would satisfy the criteria in (a)(i) through (a)(iii) immediately above.

#### B.11.2.2 Canadian Securities Exchange - Amendments to Trading Rules - Odd Lots - Notice and Request for Comments

#### **CANADIAN SECURITIES EXCHANGE**

#### SIGNIFICANT CHANGE SUBJECT TO PUBLIC COMMENT

#### PUBLIC INTEREST RULE AMENDMENT AND SIGNIFICANT CHANGE

#### NOTICE AND REQUEST FOR COMMENTS

CNSX Markets Inc., operator of the Canadian Securities Exchange ("CSE" or "Exchange") is filing this Notice in accordance with the Process for the Review and Approval of Rules and the Information Contained in Form 21-101F1 and the Exhibits Thereto attached as Appendices to the Exchange's recognition order (the "Protocol"). CSE intends to implement changes to its Trading Rule in response to client feedback ("Significant Change"). The proposed Significant Change is described below.

#### A. Description of the Significant Change

Under section 3 of CSE Trading Rule 4-113 - Commitments and Performance ("Rule") and in accordance with the CSE Order Types and Functionality Guide, CSE Market Makers are, among other requirements, obligated to auto execute odd lots at the National Best Bid and Offer price ("NBBO") or at the Single Odd Lot Price ("SOP") if there is no NBBO.

CSE proposes to amend the treatment of odd lots so that where there is no NBBO, or if there is only a best bid or best offer displayed, odd lots will not be auto-executed against the assigned Market Maker for the symbol. Odd lots entered in the absence of an NBBO will still book and potentially trade against each other at the SOP where there is a match. If the board lot portion of a mixed lot order takes out one side of the market for stocks with an assigned Market Maker, the odd lot is still guaranteed a fill by the Market Maker at the same price that the first board lot portion was filled at. If there is a best bid and a best offer, odd lots will auto-execute.

A blackline of the Rule showing the proposed Significant Change is attached as Appendix A to this Notice.

#### B. Expected Implementation Date

The proposed Significant Change is expected to be implemented following receipt of regulatory approval in Q2 of 2023.

#### C. Rationale and Analysis

CSE has experienced unprecedented growth and client demand resulting from the growth of online retail investor activity levels in the Canadian markets. Facilitating liquidity and market maker activity to facilitate their activity is critical to facilitate fair and efficient markets. On symbols that are illiquid or that are on the path to being delisted, the SOP may not be reflective of current market conditions. In those cases, auto-execution at the SOP exposes CSE Market Makers to risk because in these circumstances there is no reasonable ability to offset their position. Protecting market makers that provide this liquidity in the market will support their participation in the market. The Significant Change proposed achieves this objective.

### D. Expected Impact

<u>Market Structure:</u> The Significant Change does not impact the overall market structure, just the operations of CSE. As described above, odd lots that are entered into the book in these circumstances will not be auto-executed, but instead will be booked at the SOP if priced at, or better, than the SOP.

<u>Members and Dealers:</u> The Significant Change protects assigned Market Makers and ensures that their obligations under the CSE Market Making Program do not introduce unnecessary risk to their operations. In developing the Significant Change, CSE has consulted with a number of dealers, market makers, and industry stakeholders and considered the feedback received during informal dialogue.

<u>Investors, Issuers and the Capital Markets:</u> The Significant Change facilitates transparency of the operations of CSE. The Significant Change, while removing the auto-execution of a small number of odd lot executions, will facilitate greater liquidity by protecting market makers and ensuring that executions that occur are reflective of prices at current market conditions. This facilitates price discovery, transparency and liquidity in the CSE market.

#### E. Compliance with Ontario and British Columbia Securities Law

There is no expected impact on the CSE's compliance with Ontario or British Columbia securities laws. The Significant Change will not affect fair access or the maintenance of fair and orderly markets. The Significant Change is consistent with the fair access requirements set out in section 5.1 of NI21-101. They facilitate liquidity on CSE and they apply to all market makers.

#### F. Technology Changes

The Significant Change does not change the existing practices of any marketplace participants.

#### G. Other Markets or Jurisdictions

Other marketplaces in Canada already limit auto executions of odd lots against Market Makers in the absence of an NBBO. Some marketplaces stop auto executions when there is only a one-sided market. CSE proposes to limit auto executions when there is no NBBO, or a one-sided market, but will still permit odd lots to trade at the SOP.

#### B.11.2.3 Canadian Securities Exchange - Trading Rule 4 - Odd Lots - Notice of Housekeeping Rule Amendments

#### **CANADIAN SECURITIES EXCHANGE**

#### NOTICE OF HOUSEKEEPING RULE AMENDMENTS

#### **HOUSEKEEPING AMENDMENTS TO CSE TRADING RULE 4**

In accordance with the Process for the Review and Approval of Rules and the Information Contained in Form 21-101F1 and the Exhibits Thereto attached as Appendices to its recognition order (the "Protocol"), CNSX Markets Inc., operator of the Canadian Securities Exchange ("CSE" or "Exchange") has adopted Amendments to CSE Trading Rule 4-113(3) (the "Amendments"). The Amendments have been classified as Housekeeping Rules and as such have not been published for comment. Staff of the British Columbia Securities Commission ("BCSC") and the Ontario Securities Commission ("OSC") have not disagreed with this classification.

#### **DESCRIPTION OF THE AMENDMENTS**

The Amendments correct Trading Rule 4-113(3) ("Rule") to reflect the approved operations of the Exchange.

More specifically, the current Rule states that for a mixed lot order, the odd lot portion is filled only after the board lot portion of that order. On <u>September 14, 2017</u>, CSE made changes to the CSE market making program. As part of that change mixed lot orders were separated into odd lots and board lots when received by the exchange. As a result, the odd lot may, in fact, trade even if the board lot does not. This functionality change was first described in the <u>Request for Comment</u> published on May 11, 2017, but the Rule was not changed.

The Amendments do not amend the actual functionality of the system but correct the Rule to reflect the functionality described above which was approved on Jun 22, 2017.

A blackline of the Rule showing the Amendments is attached as Appendix A to this Notice.

#### **EFFECTIVE DATE**

The Amendments will be effective immediately.

#### **CLASSIFICATION**

The Amendments have been classified as housekeeping and were not published for comment.
