CSA Staff Notice 31-349 Change to Standard Form Reports for Close Supervision and Strict Supervision Terms and Conditions

July 13, 2017

Firms and individuals registered under the securities legislation of the provinces and territories in Canada enjoy the privilege of trading in securities with or on behalf of members of the public, advising members of the public about buying, selling, or investing in securities, or acting as an investment fund manager, in accordance with their category of registration. From time to time, a provincial or territorial securities regulator (or a person with delegated authority) imposes terms and conditions on the registration of a registrant to address a regulatory concern relating to that firm or individual. The authority to impose such terms and conditions is found in the applicable provincial or territorial securities legislation.

There is no prescribed form for the terms and conditions that may be applied to a registrant’s registration, as their use is intended to be a broad and flexible tool capable of being adapted to meet a variety of regulatory concerns. However, over time, staff of the members of the Canadian Securities Administrators (“Staff”) has developed standard form terms and conditions for a variety of situations, including when dealing representatives require enhanced supervision with respect to their trading activities.

Two types of terms and conditions that are frequently imposed on the registration of dealing representatives are “close supervision” and “strict supervision”. These supervisory terms and conditions are usually imposed to address regulatory concerns resulting from past conduct by the registrant, or other issues bearing on their suitability for registration.

Close supervision terms and conditions require the individual registrant’s sponsoring firm to review that individual’s trades daily and to complete a standard form monthly report based on the review. Close supervision reports must be kept by the firm and provided to Staff upon request. Strict supervision terms and conditions require the individual registrant’s sponsoring firm to pre-approve their trades and to complete a similar standard form report. Strict supervision reports must be delivered to Staff monthly. Close and strict supervision reports set out the issues that the firm must check for when carrying out its trade reviews.

The purpose of this Notice is to inform stakeholders that effective immediately, Staff has changed the standard form report for both close supervision and strict supervision terms and conditions. The new standard form reports for close supervision and strict supervision are included as schedules A and B to this Notice, respectively. It is intended that these new reports will be used for terms and conditions imposed after the date of this Notice. Neither the new reports nor the existing reports modify or subtract from any account supervision rules imposed on the individual or his or her sponsoring firm by any applicable self-regulatory organization.

The standard form reports are being changed to facilitate Staff’s assessment of the nature and quality of the enhanced supervisory activities being conducted by firms with individual representatives under close or strict supervision terms and conditions. The changes to these reports also allow Staff to determine the volume of supervised trading activity being undertaken by the individual who is subject to the terms and conditions, a relevant consideration for Staff when considering any subsequent application by that individual to have the terms and conditions removed from their registration.

The documents included as schedules A and B represent the form of reports that Staff expects to recommend be imposed on the registration of individuals. Ultimately, the decision to impose terms and conditions, and the content of any terms and conditions imposed (including any forms to be delivered pursuant to those terms and conditions) is within the discretion of the statutory decision-maker, subject to any right to be heard under the relevant securities legislation.
