Subject: Re: NATIONAL REGISTRATION SYSTEM

I am a investment counsellor and financial planner located in Eastern Ontario and as you know clients move quite often from Ontario to Quebec and vice versa. I would very much like to be registered in Quebec and would see your proposal an efficient and effective way to allow someone like me to be compliant and to be able to work in other provinces as the need arises. As it now stands the task is rather daunting both from a paperwork point of view as well as the economics.
