Ontario Securities Commission

Dear Mr. Stevenson,

I understand that the CSA are proposing a "Know Your Client" form to be used any time a purchaser wants to invest in an exempt market security.

No governments needs to know my financial information. This reminds me of George Orwell's "Big Brother" society where every citizen was spied upon: the government knew everything about everyone.

Scary! Isn't it?

I strongly object to this
proposal.

Sincerely,

Evelyn Skakun
