Dear Sirs:

**Re: CSA Consultation Paper 54-401 - Review of the Proxy Voting Infrastructure**

We are a junior oil and gas company listed on the TSX Venture Exchange. Under the current proxy voting infrastructure, we advise that we have encountered difficulties in communicating with our shareholders, including having no effective way to allow our beneficial shareholders to vote at our meetings, unlike for our registered shareholders. We have also experienced difficulties in getting our meeting materials to our beneficial shareholders in a timely manner. We would welcome a more transparent system as currently we are unable to easily identify the majority of our beneficial shareholders.

Yours truly,

PETRA PETROLEUM INC.

Andy Boetius  
Chief Financial Officer
