**Re: CSA Proposed Amendments Relating to the Offering Memorandum Exemption**

---

Dear Madams:

I am writing to comment on the proposed amendments to NI 45-106, in particular the proposed annual investment limits for non-accredited investors.

I am writing to you as a taxpayer in the province of Alberta to say I am against the bill NI45-106 in particular the proposed annual investment limits for non-accredited investors.

I believe the Alberta security's commission does not have more knowledge than the financial advisor I have.

We are living in a province were there is justice and freedom but the government is trying to take this away from investors.

If you would like further elaboration on my comments, please feel free to contact my financial advisors at Financial Value Inc.

Regards,

Yours truly, Garry Nielsen.
