Re: CSA Proposed Amendments Relating to the Offering Memorandum Exemption

Dear Madams:

I am writing to comment on the proposed amendments to NI 45-106, in particular the proposed annual investment limits for non-accredited investors.

- I believe the government regulatory regime is overstepping their bounds and interfering with my personal choices and freedoms as an investor.
- I do not wish to have government policy ultimately decide where and how I should invest my money, it is a highly personal decision based not only on my income and net worth, but my sophistication, risk tolerance, goals and preferences.

This submission is being made on my own behalf.

If you would like further elaboration on my comments, please feel free to contact me at jgkdavis@gmail.com.

Regards,

Kim Davis
