**Re: CSA Proposed Amendments Relating to the Offering Memorandum Exemption**

---

Dear Madams:

I am writing to comment on the proposed amendments to NI 45-106, in particular the proposed annual investment limits for non-accredited investors.

Dear sir/madam:

Re: NI 45-106

The propose amendments with regards to annual investment limits is draconian at best. I have the right to save, spend and invest as I see fit. My choices as to where I spend what funds I have however I deem must be upheld.

I choose to educate, investigate and deem worthy what and which places I might deposit my after tax dollars. My diligence is both my reward and sometimes loss; but it is mine.

Consider this letter a rejection of your proposed limit . I would support and increase in penalty for individuals who cheat and create illegal schemes though.

Yours truly

Mr. E. Blahne Sukut

This submission is being made on my own behalf.
