The firm is required to deliver a copy of the executed subordination agreement to the regulator or, in Québec, the securities regulatory authority on the earlier of a) 10 days after the date the agreement is executed or b) the date an amount subordinated by the agreement is excluded from its calculation of excess working capital on Form 31-103F1 Calculation of Excess Working Capital. The firm must notify the regulator or, in Québec, the securities regulatory authority, 10 days before it repays the loan (in whole or in part), or terminates the subordination agreement. See section 12.2 of National Instrument 31-103 Registration Requirements, Exemptions and Ongoing Registrant Obligations.

- 3. the individual's employment, partnership or agency relationship with their former sponsoring firm did not end because the individual was asked by the firm to resign, resigned voluntarily or was dismissed, following an allegation against the individual of criminal activity, a breach of securities legislation, or a breach of the rules of an SRO.

If you do not meet all of the above conditions then you must apply for reinstatement by completing on NRD a Form 33-506F4 by making the NRD submission entitled 'Reactivation of Registration'.

# COMPANION POLICY 33-506CP (COMMODITY FUTURES ACT) REGISTRATION INFORMATION

#### PART 1 - GENERAL

## 1.1 Purpose

This Companion Policy sets out how we interpret or apply OSC Rule 33-506 (Commodity Futures Act) Registration Information (the Rule).

The registration requirement in the *Commodity Futures Act* (CFA) provides protection to investors from unfair, improper or fraudulent practices and enhances capital market integrity and efficiency. The information required under the Rule allows the Director to assess a filer's fitness for registration or for permitted individual status, with regard to their solvency, integrity and proficiency. These fitness requirements are the cornerstones of the registration requirement.

## 1.2 Definition of permitted individuals

Section 1.1 of the Rule defines a permitted individual as an individual who meets the criteria set forth in either paragraph (a), (b) or (c) of the definition. A permitted individual may or may not be a registered individual. For example, the chief executive officer of a registered firm is registered as the firm's ultimate designated person and is also a permitted individual. The definition of permitted individual allows the Rule to separate out the filing requirements which are applicable only to permitted individuals from those which are applicable to registered individuals.

# 1.3 Overview of the forms

The following forms are for firms:

- Form 33-506F3 Business Locations other than Head Office to disclose each business location of the firm and any change of business location
- Form 33-506F6 Firm Registration to apply for registration as a dealer or adviser

The following forms are for individuals and are submitted in NRD format:

- Form 33-506F1 Notice of Termination of Registered Individuals and Permitted Individuals to notify the Director that a registered or permitted individual has ceased to have authority to act on behalf of the firm
- Form 33-506F2 Change or Surrender of Individual Categories to apply for registration or review in an additional category or to surrender a category
- Form 33-506F4 Registration of Individuals and Review of Permitted Individuals to apply for registration or review as a permitted individual
- Form 33-506F7 Reinstatement of Registered Individuals and Permitted Individuals to reinstate an individual's registration or a permitted individual status

## 1.4 Notice requirements

Form 33-506F5 Change of Registration Information is used by firms and individuals to notify the Director of any change to their registration information. Under sections 3.1 and 4.1 of the Rule, a registrant and a permitted individual must keep their registration information current on an ongoing basis by filing notices of change of information within the required time.

Appendix A summarizes the notice requirements, time periods and the forms under the Rule to notify the Director of a change to a firm's or individual's registration information.

#### 1.5 Contact information

When a firm submits a Form 33-506F6, supporting documents or a Form 33-506F5, it can make the submission using e-mail, fax or mail. Appendix B attached to this policy sets out the contact information for the Director and for the Investment Industry Regulatory Organization of Canada (**IIROC**).

#### PART 2 - FORMS USED BY INDIVIDUALS

# 2.1 National Registration Database (NRD)

The NRD is the database containing information about all registrants and permitted individuals under securities or commodity futures legislation in each jurisdiction of Canada. The requirement for firms to enrol, and to make certain submissions, on NRD are set out in Ontario Securities Commission Rule 31-509 *National Registration Database (Commodity Futures Act)*. Detailed information about the NRD and the enrolment process is available in the NRD User Guide published at www.nrd-info.ca.

## 2.2 Form 33-506F4

## Types of submissions using Form 33-506F4

The NRD format for submitting a completed Form 33-506F4 under subsection 2.2(1) or 2.4(1) of the Rule include four distinct NRD submission types that are made in the following circumstances:

- Initial Registration, when an individual is seeking registration, or review as a permitted individual, through NRD for the first time
- Registration in an Additional Jurisdiction, when an individual is registered or is a permitted individual in a
  jurisdiction of Canada and is seeking registration, or review as a permitted individual, in an additional
  jurisdiction
- Registration with an Additional Sponsoring Firm, when an individual is registered, or is a permitted individual, on behalf of one sponsoring firm and applies for registration, or seeks review as a permitted individual, to act on behalf of an additional sponsoring firm
- Reactivation of registration, when an individual who has an NRD record is applying for registration, reinstatement of registration or is seeking review as a permitted individual and is not eligible under sectionssubsection 2.3(2) or 2.4(2) of the Rule to submit a Form 33-506F7

## Submissions by permitted individuals

Under subsection 2.4(1) of the Rule, within 10 days of becoming a permitted individual, the individual must submit a Form 33-506F4 for review by the Director. An individual whose registration is suspended may apply to reinstate the registration by submitting a completed Form 33-506F4 to the Director. This is done with the *Reactivation of registration* submission on NRD. After making this submission the individual may not conduct activities requiring registration unless and until the Director has approved the application. However, an application for reinstatement or review is not required if the individual meets all of the conditions for automatic reinstatement in subsection 2.3(2) or 2.4(2) of the Rule, which include submitting a completed Form 33-506F7 to the Director as described in section 2.5 below.

# Agent for service

Item 18 Agent for service of Form 33-506F4 is a certification clause by the individual that he or she has completed the appointment for service required in each relevant jurisdiction. There is no distinct form under the Rule for the appointment of an agent for service for use by individuals. Please refer to the form used by the registered firm. This format is acceptable to the Director.

# 2.3 Form 33-506F2

This form is used by individuals to apply to add or to surrender a registration category, to seek review of a change in their permitted individual category or to change any information on Schedule C of a previously submitted Form 33-506F4. If an individual has ceased to have authority to act on behalf of their sponsoring firm as a registered or permitted individual in the last jurisdiction of Canada where they were so acting, they cannot submit a Form 33-506F2. Instead, the individual's sponsoring firm submits a Form 33-506F1 to notify the Director of the termination or cessation of authority to act on behalf of the firm.

# 2.4 Form 33-506F5 for individuals

Form 33-506F5 should not be used by an individual applying to add or surrender a registration category or to seek review of a change in his/her permitted individual category. In this case, Form 33-506F2 is used. It should also be noted that Form 33-506F5 is not used by an individual that is registered or is a permitted individual in a jurisdiction of Canada and is seeking registration, or review as a permitted individual, in an additional jurisdiction. In this case, a Form 33-506F4 is used and is identified on NRD as *Registration in an Additional Jurisdiction*. This also applies to an individual adding a sponsoring firm; Form 33-506F4 is used and is identified on NRD as *Registration with an Additional Sponsoring Firm*.

## 2.5 Form 33-506F7 for reinstatement

When an individual leaves a sponsoring firm and joins a new registered firm, they may submit a Form 33-506F7 to have their registration or permitted individual status reinstated in one or more of the same categories as before, subject to all of the conditions set out in subsection 2.3(2) or 2.4(2) of the Rule. An individual who meets all of the applicable conditions will be able to transfer directly from one sponsoring firm to another and start engaging in activities requiring registration from the first day that they submit the Form 33-506F7.

# 2.6 Business locations (Form 33-506F4 and Form 33-506F7)

The term "business location" is defined in section 1.1 of the Rule. If the business location specified in Item 9 of Form 33-506F4 or Item 5 of NI 33-506F7 is a residence, the individual must certify in both these forms that they give their consent for the regulator or, in Québec, the securities regulatory authority to enter the residence for the administration of securities legislation and derivatives legislation, including commodity futures legislation.

# 2.7 Ongoing fitness for registration

Every registrant must maintain their fitness for registration on an ongoing basis. Under the CFA, the Director has discretionary authority to suspend or revoke an individual's registration or to restrict it with terms and conditions at any time. The Director may do this, for example, if it receives information through a notice of termination from an individual's former sponsoring firm or any other source that raises concerns about the individual's continued fitness for registration. Individuals will be given an opportunity to be heard before a decision is made to suspend or revoke registration or to impose terms and conditions.

## PART 3 - FORMS USED BY FIRMS

## 3.1 Form 33-506F6

When a firm submits a Form 33-506F6 to apply for registration it may pay the regulatory fees by cheque or by using the NRD function called *Resubmit Fee Payment*.

If a firm applies for registration under the CFA only, it is not required to complete questions 1.4(a), 2.2(b), 2.5 and 6.2 of Form 33-506F6. However, if it applies for registration under both the CFA and the Securities Act, it will be required to complete the entire Form 33-506F6 pursuant to National Instrument 33-109 Registration Information.

Under section 4A.1 of Multilateral Instrument 11-102 *Passport System*, the principal regulator for a foreign firm is the regulator identified on the firms most recent Item 2.2(b) of Form 33-109F6 or Form 33-109F5 *Change of Registration Information* if the change noted in that form relates to Item 2.2(b) of Form 33-109F6. See Section 3.1 of Companion Policy 33-109CP *Registration Information* for additional guidance on completing Item 2.2(b).

## 3.2 Form 33-506F3

A firm must notify the Director of each business location in Ontario. The term "business location" is defined in section 1.1 of the Rule and may include a residence where a firm's registered individuals are based for the purpose of carrying out activities that require registration.

Firms certify in Item 22 of Form 33-506F4 that if the business location is a residence, the individual conducting business from that business location has completed a Form 33-506F4 certifying that they give their consent for the regulator or, in Québec, the securities regulatory authority to enter the residence for the administration of securities legislation and/or derivatives legislation, including commodity futures legislation.

Firms submit this form through the NRD website.

# 3.3 Discretionary exemption for bulk transfers

The Director will consider an application for an exemption from certain requirements in the Rule to facilitate a reorganization or combination of firms which would otherwise require a large number of submissions to change business locations and transfer individuals. The information required, and the conditions to obtain, this type of exemption application are described in the attached Appendix C.

# 3.4 Form 33-506F1

Under section 4.3 of the Rule, a registered firm must notify the Director no more than 10 days after an individual ceased to have authority to act on behalf of the firm, as a registered or permitted individual. Typically, this occurs due to the termination of the individual's employment, partnership or agency relationship with the firm. However, it also occurs when an individual is reassigned to a different position at the firm that does not require registration or is not a permitted individual category. Form 33-

506F1 is submitted through the NRD website to give notice of the cessation date and the reason for the termination or cessation.

Under paragraph 4.3(1)(b) of the Rule, the information in Item 5 [Details about the termination] of a Form 33-506F1 must be submitted unless the cessation of authority to act on behalf of the firm was caused by the death of the individual. A firm can submit the information in Item 5 either at the time of the making the initial submission on NRD, if the information is available within that 10 day period, or within 30 days of the cessation date, by making an NRD submission entitled *Update / Correct Termination Information*.

## PART 4 - DUE DILIGENCE BY FIRMS

# 4.1 Obligations of former sponsoring firm

After submitting a Form 33-506F1 with regard to a former sponsored individual a firm should promptly send the individual a copy of the completed Form 33-506F1. Under subsections 4.3(3) and (4) of the Rule, within 10 days of a request by a former sponsored individual a firm must provide the individual with a copy of the Form 33-506F1 that was submitted, and if necessary, a further copy that includes the information in Item 5 of the Form 33-506F1, within 10 days of submitting that information.

# 4.2 Obligations of new sponsoring firm

In fulfilling its obligations under subsection 5.1(1) of the Rule a firm should make reasonable efforts to do all of the following:

- establish written policies and procedures to verify an individual's information prior to submitting a Form 33-506F4 or Form 33-506F7 on behalf of the individual
- document the firm's review of an individual's information in accordance with the firm's policies and procedures
- regularly remind registered and permitted individuals about their disclosure obligations under the Rule, such as notifying the Director about changes to their registration information

Under subsection 5.1(2) of the Rule, within 60 days of hiring a sponsored individual a firm must obtain a copy of the most recent Form 33-506F1, if any, for the individual. If a sponsoring firm cannot obtain it from the sponsored sponsored individual, as a last resort the individual should request it from the Director.

The information referred to above will assist the firm in meeting its obligations under subsection 5.1(1) of the Rule and should inform the firm's hiring decisions. If an individual is hired before a completed Form 33-506F1 is available and if the firm discovers an inconsistency in the individual's disclosure to the firm or the Director, then the firm should take appropriate action. All of the required information should be available within 60 days of hiring the individual, which will often fall within the individual's probation period under their employment or agency contract.

# PART 5 - SECURITIES ACT SUBMISSIONS

**5.1** If a person or company is required to make a submission under both National Instrument 33-109 *Registration Information* and the Rule with respect to the same information, the Commission is of the view that a single filing of a form required under either rule satisfies both requirements.
